Dedication

Someone once said if you love your work, it shows. It shows through your dedication, patience, concern, ability.

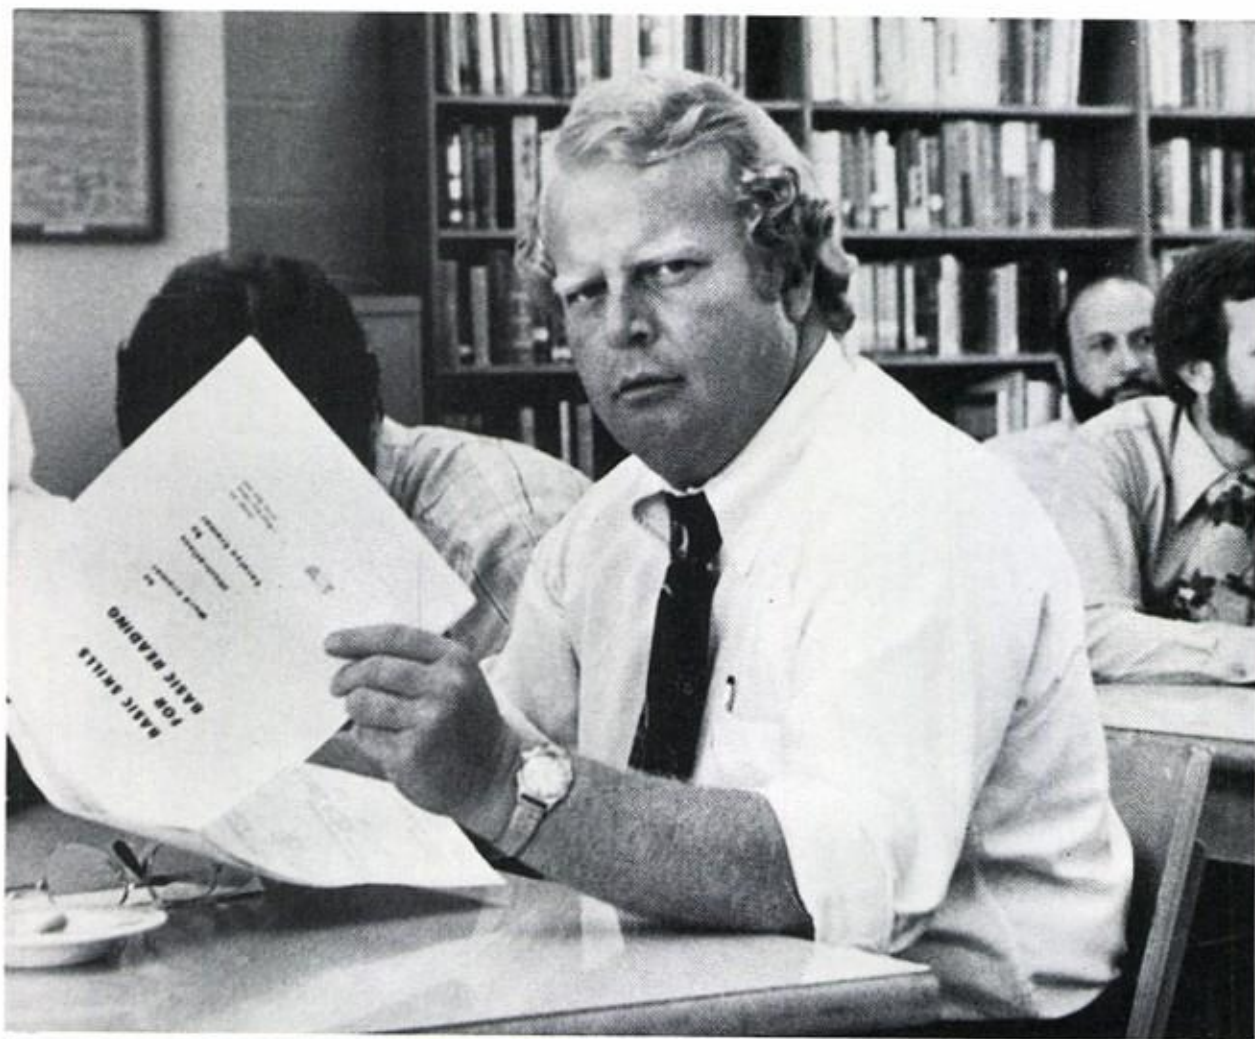

Dedication means trying and then trying again, going one step further — sometimes giving up all thoughts of going home at a decent hour for months at a time. It means staying at Dunne when you surely could go somewhere else and make a lot more money.

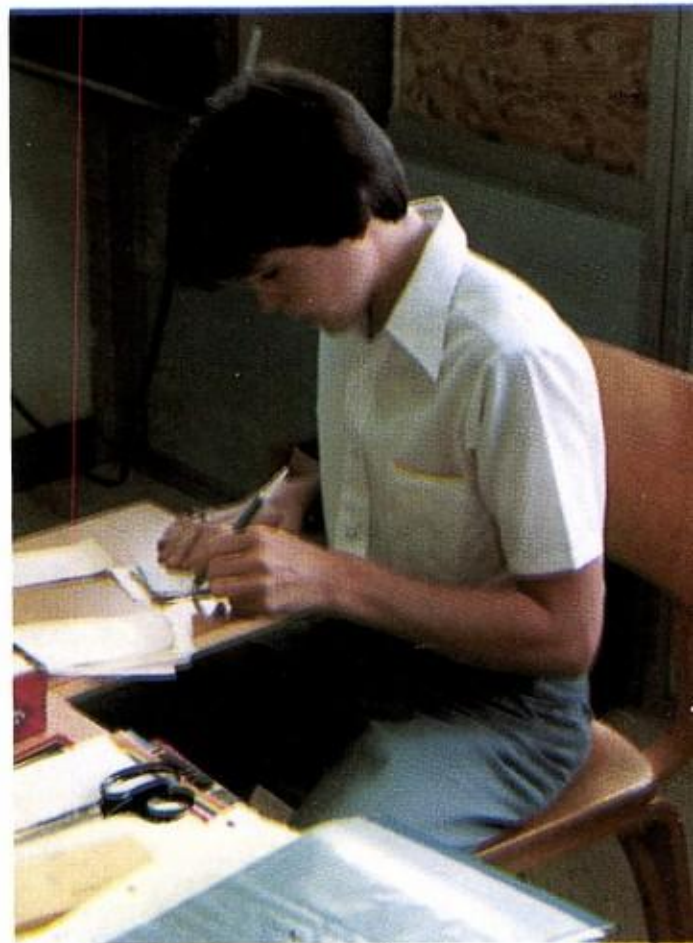

Patience means not giving up when you've taught and taught and taught, but nobody seems to learn, until seemingly all at once, you are coaching a state championship team.

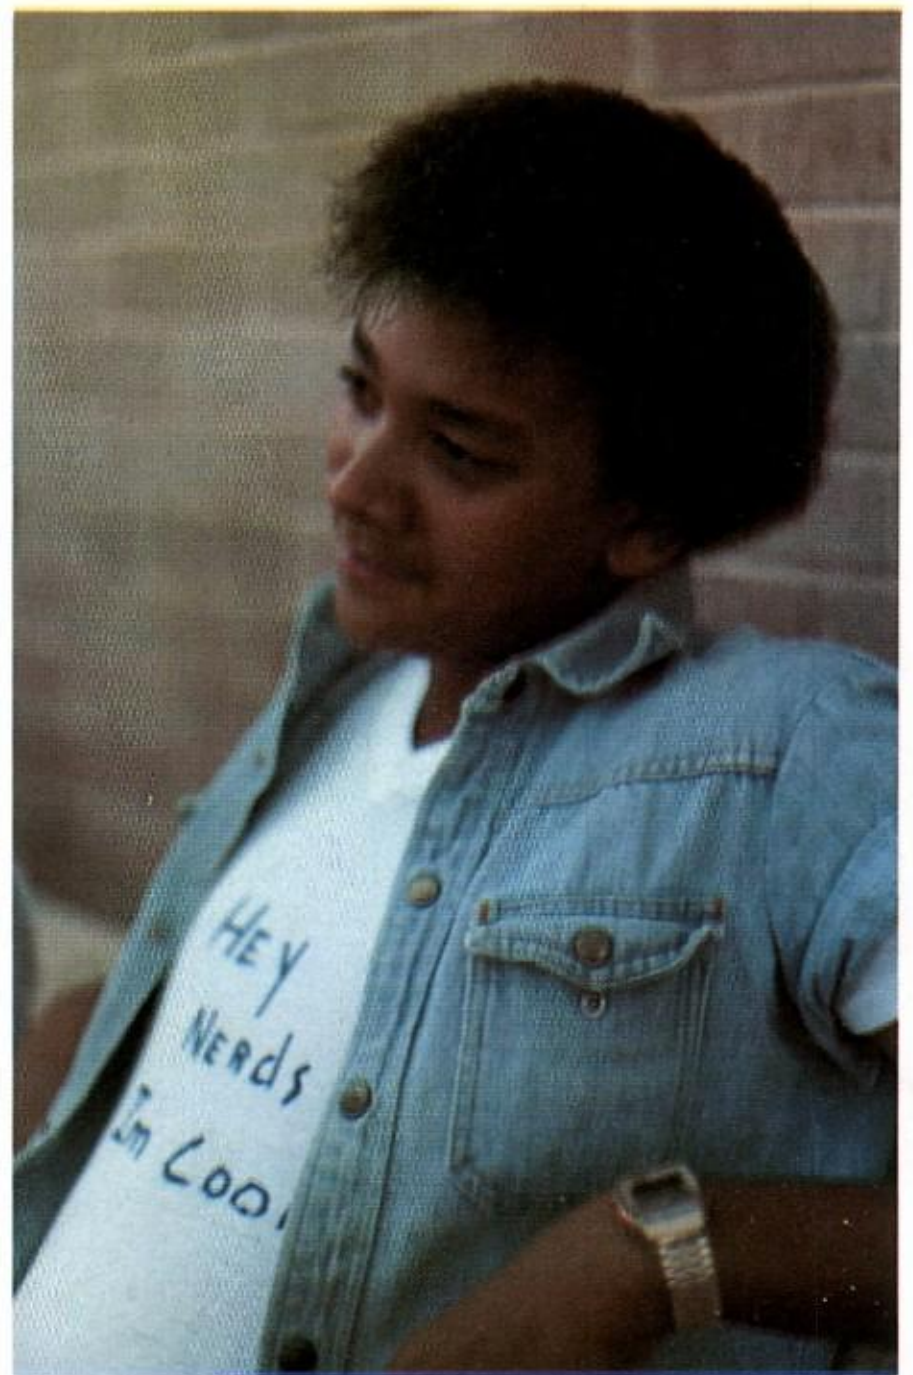

Concern means a genuine interest in those around you. It means going to "B" team games on the outskirts of the civilized world so that they know someone cares. It means fussing and fuming and fighting, but doing it because you care.

As for ability, it takes ability to combine all the other attributes and still have the stamina and creativity to convey new ideas to dusty minds.

It takes these virtues and much more to be a good person, a good teacher, a good coach. No one can list all that you have given to Bishop Dunne High School. It's because of all these extra things you are that we dedicate the 1980 Mitre to you . . . Mr. David Wright.

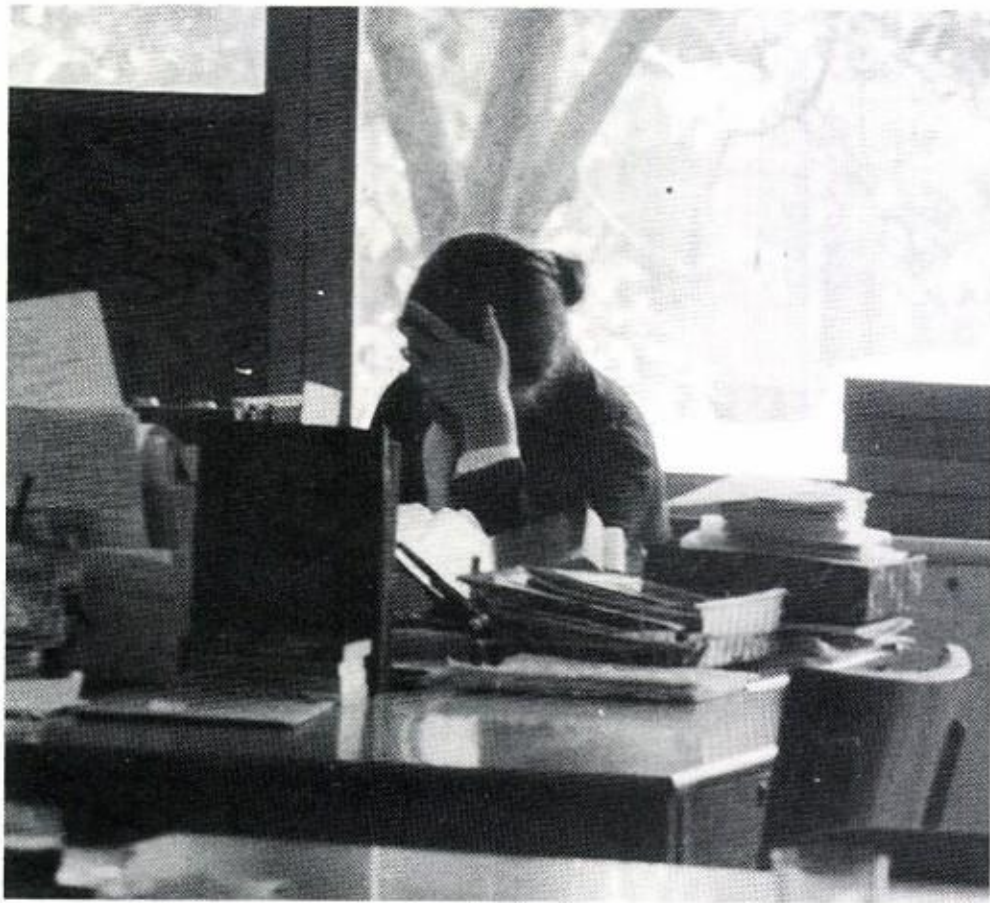

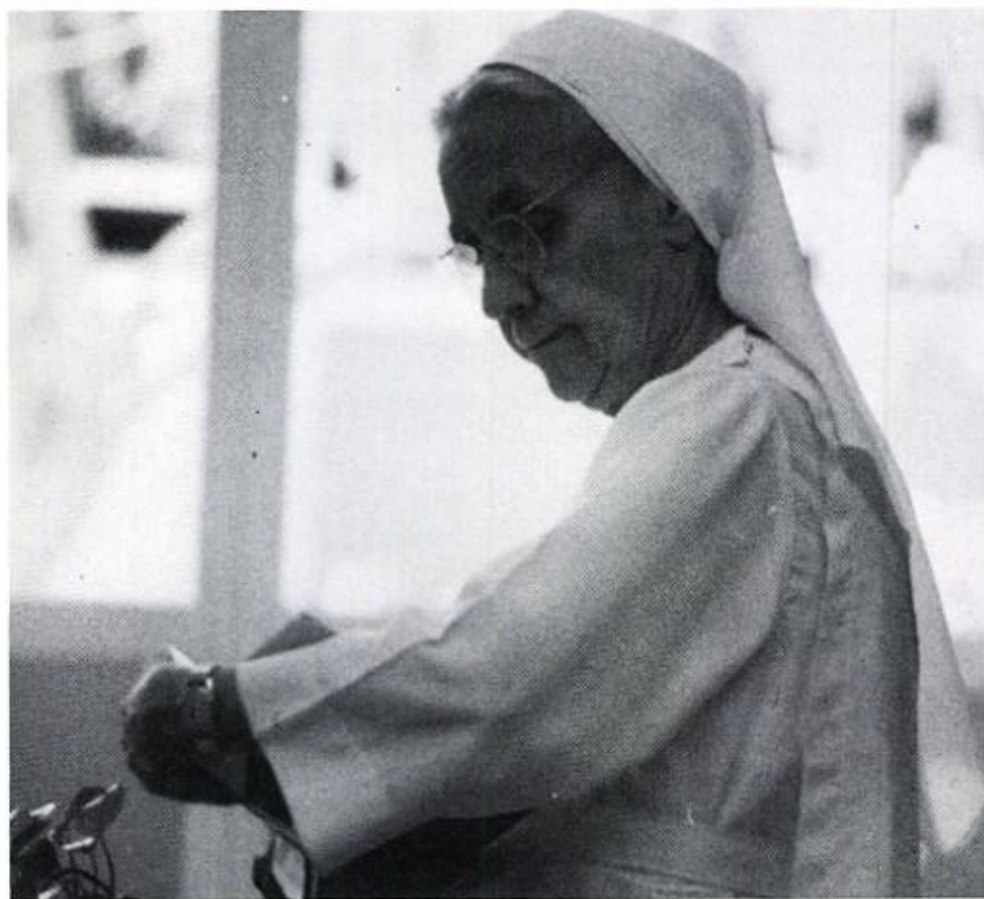

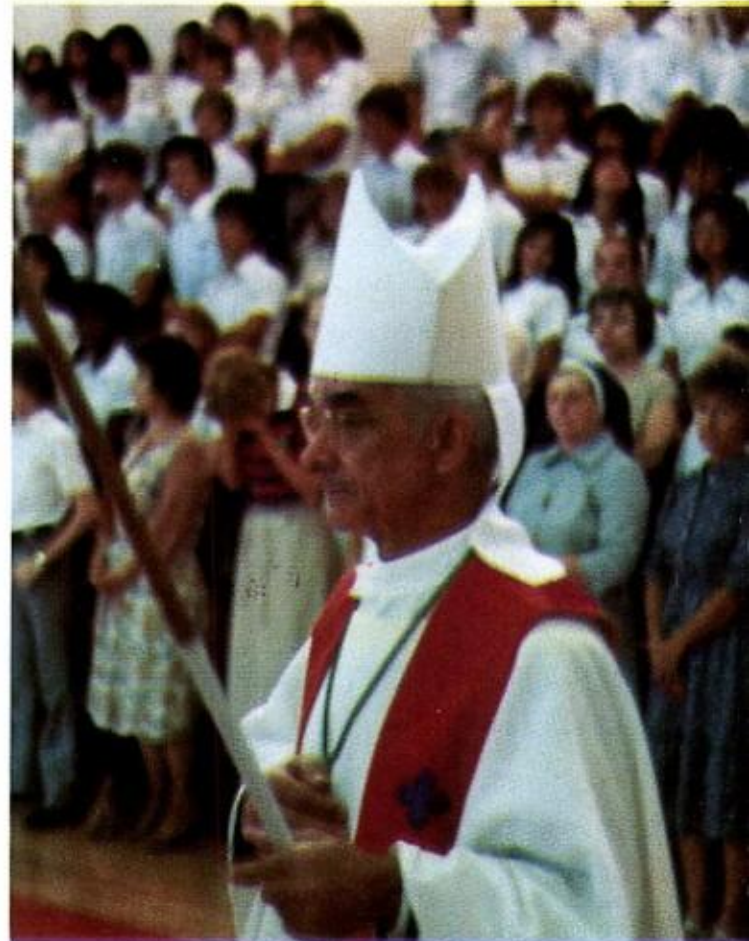

Bishop Dunne

S-P-I-R-I-T . . .

Spirit is the sum of all our emotions, our feelings, brought together to enrich each of us. At the moment when excitement is the highest, the last seconds of a ball game, graduation exercises, we each experience total unity with our fellows; our voices lift in triumph, and we celebrate.

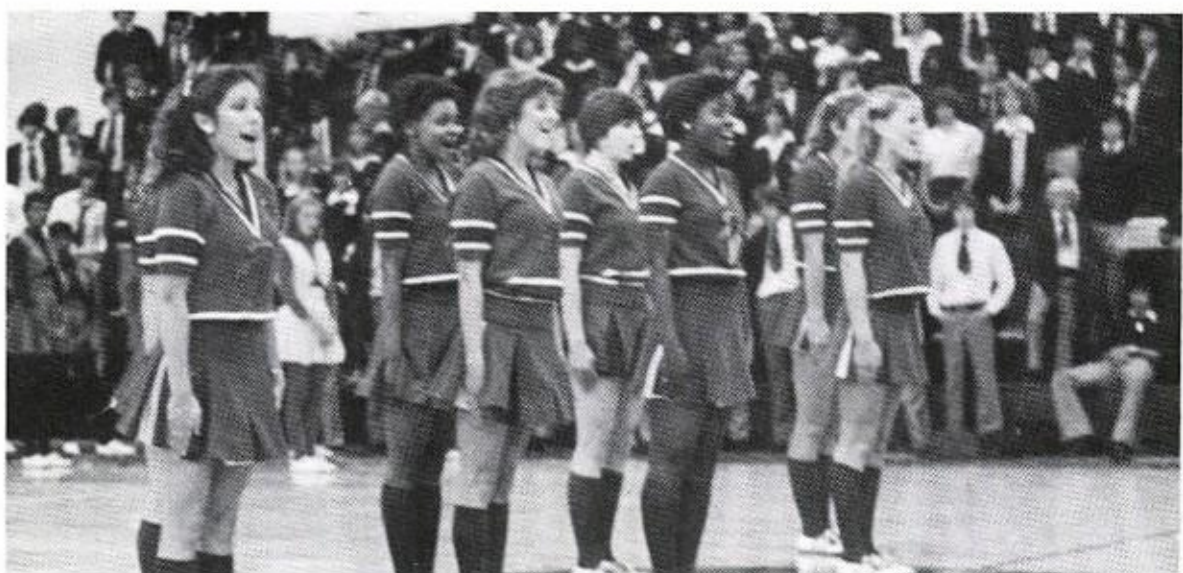

— Art Wright

Readeee? O-K!

The Eyaletts always give 100 per cent to Dunne.

Coach Roeder brings the crowd to its feet with his *inspiring* talks.

Spirit has always been an important factor in drill team, and this year was no exception. In fact, the spirit was regenerated by the enthusiasm of the new members. Spirit is needed in order to perform well. For without spirit, there lacks the motivation needed to deliver a good performance.

—Jenny Lee

Skits add to the excitement at pep rallies.

No, Greg and Bob, it's right foot first!

Painting the signs to go up in the halls for football and basketball games is important to the spirit at Bishop Dunne. Although painting is a big part of Bad Birds, putting the signs up is even a greater part. The Bad Birds feel that the greater number of signs up in the halls promotes the most spirit. After all, spirit is what it is all about!

— *Connie Morton*

Spirit within a cheerleading squad is the essential quality needed to have a good squad. A squad must also be united as one, and not just eight girls acting independently. This togetherness proved to be worthwhile as this year's cheerleading squad brought home from S.M.U. Cheerleader School, the "spirit Stick," four superior ribbons, and received the honor of being nominated for the "award of excellence."

Band Marches On

The marching and concert band is an organization devoted to achieving excellence in musical performance. The busy schedule of a band member includes two periods of rehearsal during the school day and after school, as well as individual practice time, for the band is considered to be both an academic course and an extracurricular activity. This hard work pays off, though, as demonstrated by the band's outstanding contest record and the many competent performances it gave throughout the year at football games, various assemblies, concerts, and graduation exercises. Mr. Brodnax, the band's new director this year, has done an admirable job of guiding it through the difficulties of changing leaders in mid-year, and his plans for expansion of the program in the future are well in keeping with the band's traditional standards of excellence.

Spiritual Activities Enrich Students' Lives.

The spiritual activities at Bishop Dunne are not solely reserved for the clergy. Students are constantly encouraged to participate in spiritual activities. This participation ranges from retreats to Masses and prayer services. There are even times to be relaxed and times to be involved.

Language Clubs

Corinne and Connie recite at the Novemberfest.

Ms. Jacobs enjoys a traditional German meal.

What is it?

The purpose of the German Club is to provide the opportunities for German students to broaden their knowledge of the German heritage and culture. This past year, the club learned about this by going to the Novemberfest where members came home with many awards.

"Gawd, Raymond, I'm jealous!"

The new inductees to the French Club.

The Pan Am Club serves tostados after exams.

"Hey David, what else are you putting in the glass besides coke?"

The French Club exists for a two-fold purpose: the study, enjoyment, and appreciation of French culture in all its diverse forms such as a French mass, and the rendering of service to Bishop Dunne High School in whatever ways are possible, as exhibited at the Mardi Gras Festival.

Super Bug!

The Pan Am Club has worked consistently for the past four years selling tostadas in the lounge after the exams. The money raised during the sales went toward "Pesos for Braces" providing braces for handicapped children. The Pan Am Club awaits the San Antonio Convention in March where competitions are held in various areas of language knowledge and culture.

Seniors Powder Juniors' Puff

The eerie globe of Reunion Tower gesticulated with patterns of light on the frigid night that Falcon Field witnessed a girl's gridiron classic. The senior ladies clashed with their junior rivals in the Powder-Puff game to provide a pecuniary precipitant for publications.

What transpired is a clear matter of historical record. Led by Jeannie O'Donnell's 144 yards rushing, the senior girls triumphed over the out-matched juniors. Nevertheless, in this age of sports controversy, the tale is not spent entirely on the playing field. As the beleaguered beauties retired to a half-time repose, a frightening fellowship of false femininity took the field. Their tasteful yet tantalizing performance promulgated a virtual plethora of comments.

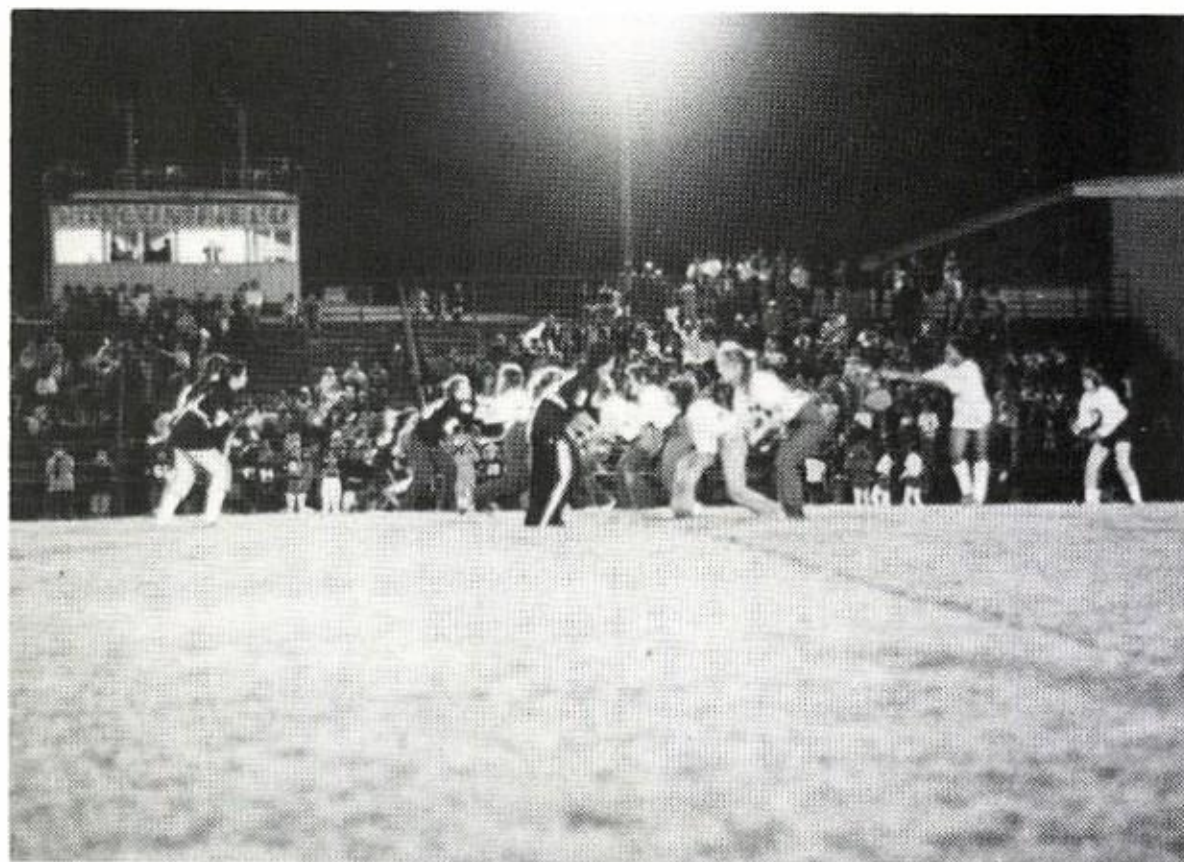

After the game, one member, standing bare-legged in a biting breeze, got at least this off his chest: "We only meant to be entertaining — We didn't mean to blow anything out of proportion."

That's telling it like it is.

Games played at the party ranged from beanie races to bobbing for cherries in a pile of whipped cream.

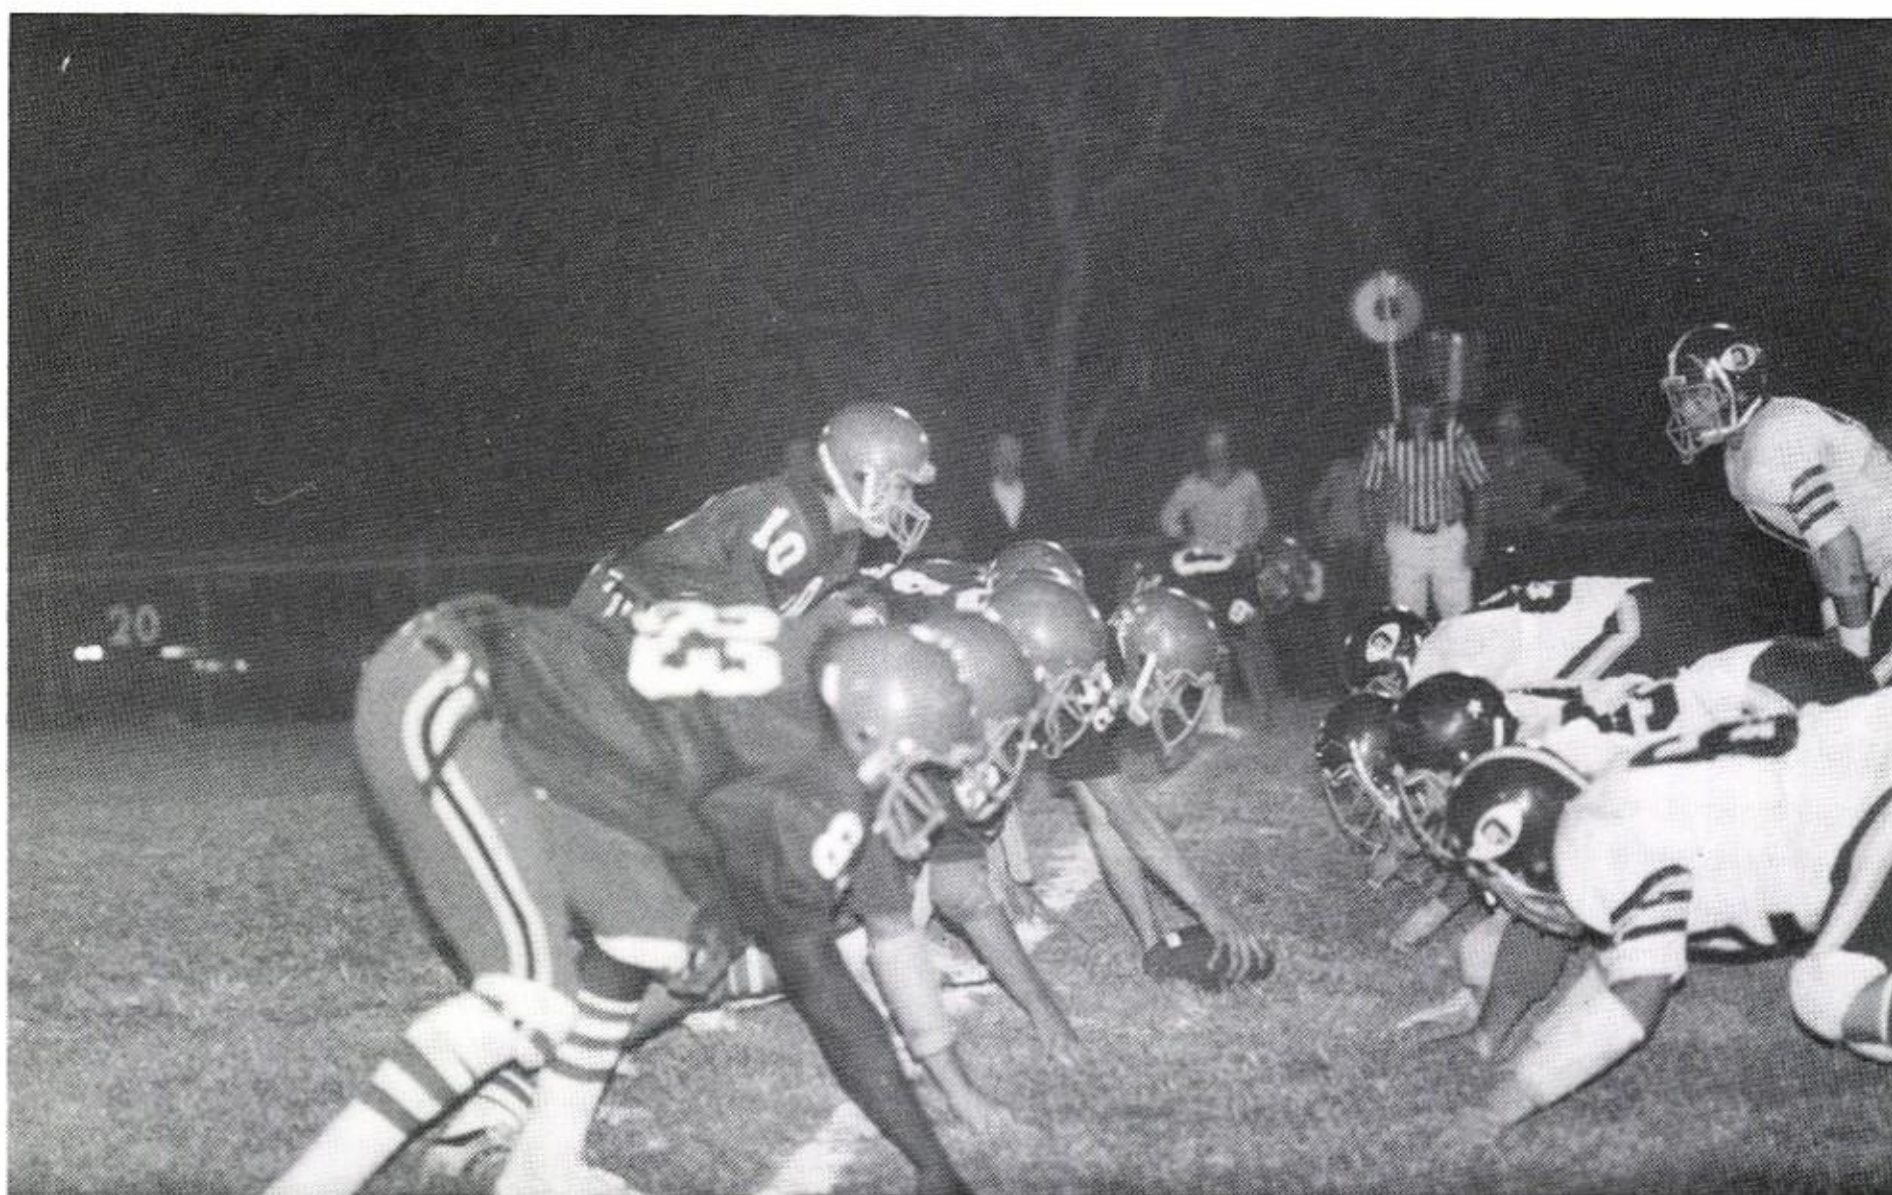

Homecoming Game

The Homecoming Game was held on Oct. 26, 1979, between St. Marks and Bishop Dunne. The score was 38-0 in favor of St. Marks. This was the first Homecoming game Bishop Dunne has lost in five years.

A time to think is set aside on each retreat.

Rolando, Jill, Gabi and Heather show true group togetherness.

Working in groups on retreat enables students to make new friends and learn new ideas.

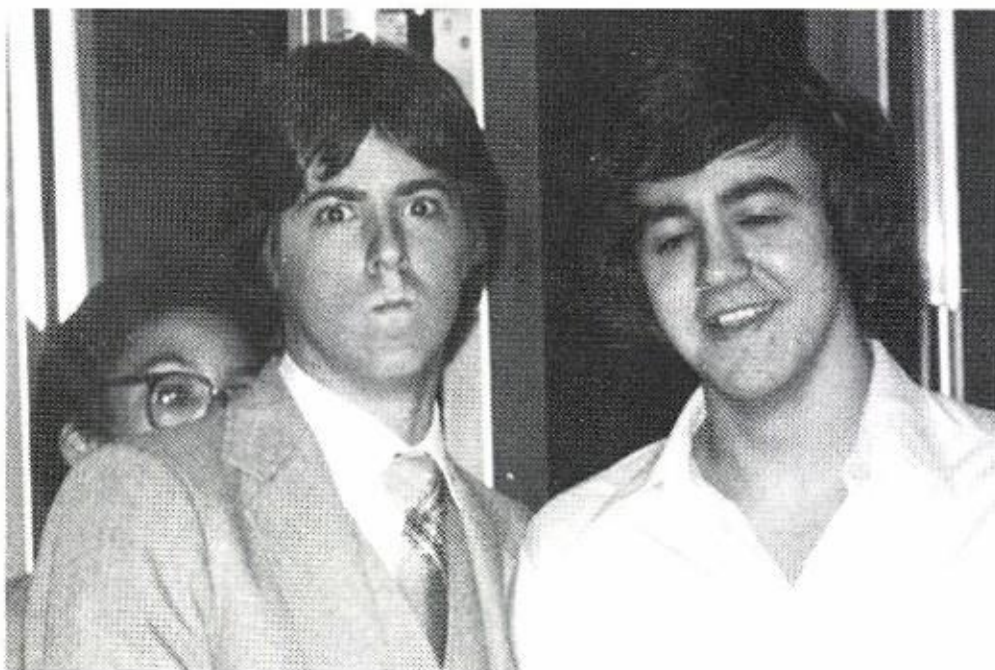

Each class at Bishop Dunne has the opportunity to take a day off from their usual schedules and spend some time on retreat. The class retreat is an opportunity to build some class unity, and to experience a different environment in which to think, pray, listen, discuss, laugh together, and worship together. With the help of different faculty members and seniors, the retreats focus on different themes. These themes include "Friendship," "Happiness," "Christ," and "Leadership." There are as many different reactions to the retreats as there are participants. In each retreat, the greater part of the effect is up to each individual and how seriously and deeply the person applies the principles to his inner self, his relationships with other people and with God. Surely the retreats at Bishop Dunne are one of the many things that make the school unique.

Come Dance With Me

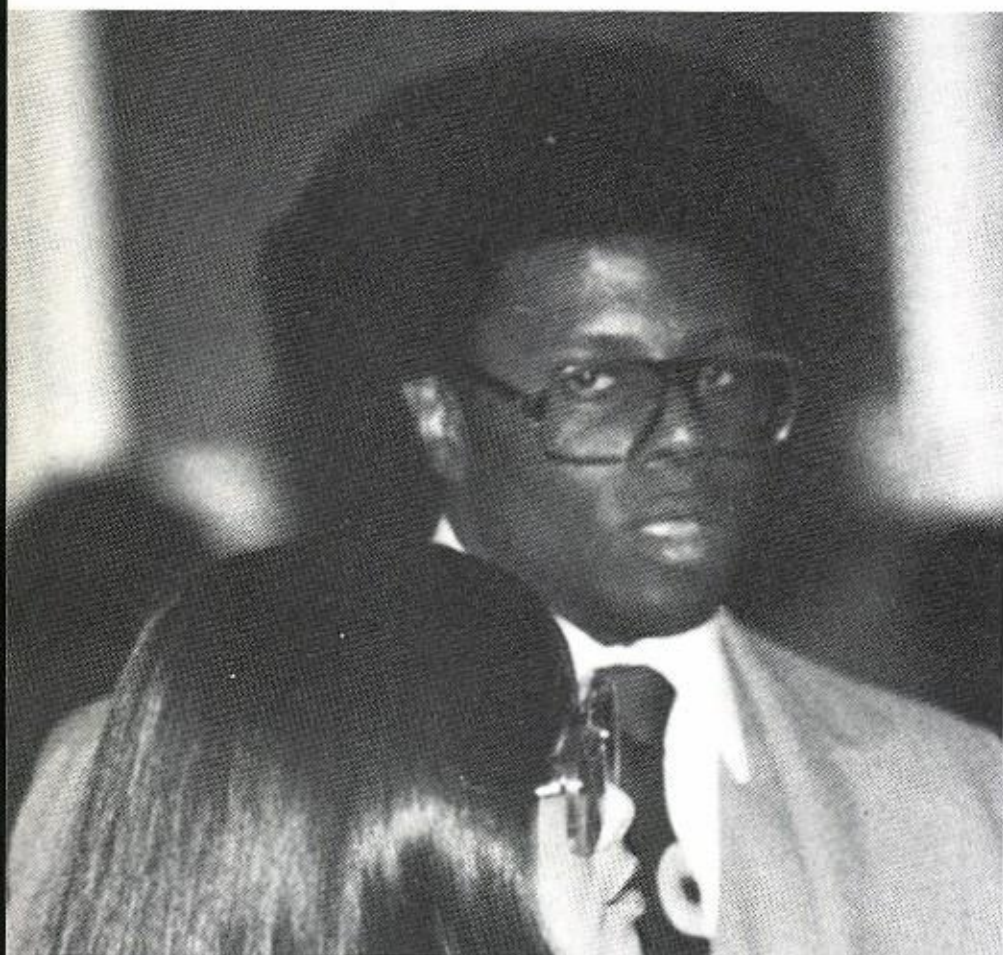

Several of the numerous projects the Student Council sponsored this year were the dances. To welcome all the new and returning students to school, the "Howdy Dance" offered a lot of fun and a chance to meet people. There was also an opportunity for the girls to step into the guys' shoes with the "Sadie Hawkins Dance," and to celebrate Mardi Gras there was a masquerade ball. A greater selection of music and themes created an enjoyable atmosphere for all the dances in the school year.

Western Day at Dunne has been a well received dress day for many years; this year was no exception. Many of the students dressed in Western attire ranging from the casual blue jeans and western shirt, to the more traditional Indian style dress. This special dress day proved to be a fun filled and relaxed day for the students.

Mardi Gras Carnival Debuts

This year, Bishop Dunne changed a seventeen-year-old tradition. The annual Family Fair became known as the Mardi Gras Carnival, named after the famous New Orleans festival. This fund-raising event featured booths sponsored by various student organizations. Some new attractions were the Moonwalk of the Astronomy Club, Tarot Cards and palm reading by the Drama Club, and the Haunted House sponsored by the Woods and Water Club. Some familiar and popular attractions remained, such as the Jail, Bingo, Cakewalk, and all of the fantastic food, including the Spaghetti Dinner. Held on Sunday, February 17, the event raised almost \$3,200 for the school.

Talented Students Help Raise Money

The Talent Show of 1980 admirably entertained all who attended, while raising money for the Senior Class. This year the cheerleaders presented the program, which was hosted by Connie Jones. Many talented students performed, among them the rock band R.P.M. Express, dancers Lisa Harkenrider and Marie Densmore, and pianist Michelle Hinkle.

715 students strong. There is a crime committed every 15 seconds. The story you are about to see is true, the names have not been changed because there is not one innocent person involved. On Wednesday, February 20, 1980, the afternoon in question, Ray Barrilleaux was apprehended in the school parking lot. There was no place to hide; the crime had already been committed. At first glance, Ray appeared quite composed. But on closer inspection, it was obvious that he was truly disturbed — more than likely, he was wondering how to explain *this* to his parents.

In October Cast-on-Stage presented three one-act plays. Then, in early December, the Drama Club presented "Harvey," a fantasy in three acts by Mary Chase. The spring production of Cast-on-Stage was Neil Simon's "Prisoner of Second Avenue" which was presented in mid-March. In the title role was David Magaña, who portrayed Mel Edison, a New York executive who is fired, robbed, and suffers a nervous breakdown. Other characters were Tina Lewis as Mel's wife Edna Edison, and Doyle Baker as Mel's brother Harry. Double cast as the sisters were Scarlett Green and Mary Suess as Pearl, Hilary Ballard and Linda Neurath as Jessie, and Linda Derdeyn and Lisa Longchamp as Pauline.

In May, the group presented six one-act plays in the style of the theater of the absurd movement.

Eyaletts Dance From A to Z

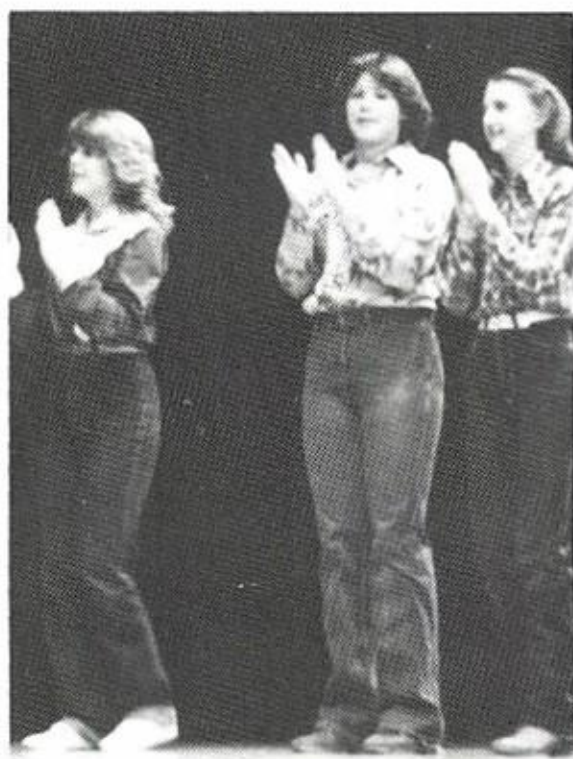

The sixth annual Eyaletts Spring Show got underway March 13 and 14 in the school auditorium. The theme for the girls this year was the alphabet. Most of the routines were serious with the exceptions of "Disco Duck" and "Quincy." With the help of Master of Ceremonies Vincent Langbein, and director Connie Holland, the 1979-80 spring production proved to be quite enjoyable.

“Senior-Itis” Strikes Dunne

If you find yourself staring out of the window instead of listening in class, fidgeting in your seat or constantly running errands, you may be suffering from a severe case of “Senior-itis.” The first symptoms may appear as early as the last day of your junior year, (you know, ring ceremony). They become unbearable during the last quarter of your senior year. The final stages of “Senior-itis” include being thrown out of the cafeteria, and counting down the days left in school. If you find you have any of these symptoms, don’t try to fight it, for the only cure is — GRADUATION!

Kite Day Sails For the Sky

It's a bird, it's a plane, no — it's Mr. Fagan's butterfly kite! For the first time at Dunne, the Student Council sponsored Kite Flying Day to change the usual daily routine. Many students and teachers entered kites and were judged on originality, design of the kite, and how well the kite flew. With the help of the announcers, Mr. Coats and Mr. Langbein, as well as the judges, Jill Turner and Mike Norwood, Kite Flying Day was a soaring success.

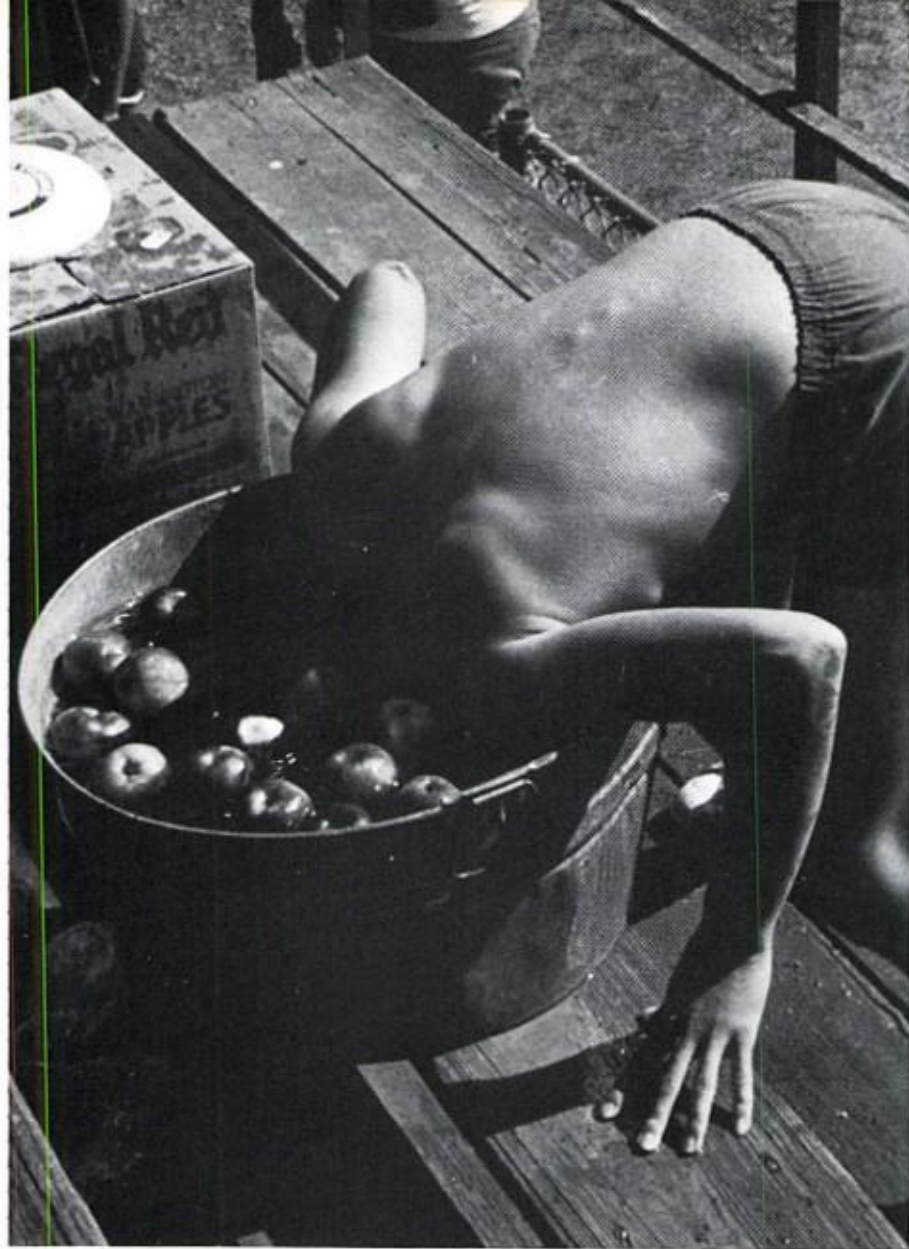

David Magaña and Scarlett Green launch "Free Spirit '80."

Olympic Day Goes For the Gold

Though the United States will boycott the Summer Olympic Games, Bishop Dunne was not deterred from holding its own version of the games. On Friday, May 2, the Student Council sponsored an Olympic Day, pitting homeroom against homeroom in fierce competition. Events included scooter races, clothes horse races, apple bobbing, an obstacle course, a frisbee throw, wheel barrow races, and chess, checkers and Monopoly. When all the scores were in, a tired, but ecstatic senior homeroom 412 took first place, followed closely by arch-rival senior homeroom 411.

Golden Falcon

Co-curricular Awards

The tenth annual Golden Falcon Awards Night was held on May 15. The Golden Falcon is the award of Bishop Dunne High School. It is awarded annually to outstanding students in the academic and co-curricular activities of the school. Co-Curricular awards are broken into two categories, clubs and sports. In these categories students are voted on by fellow teammates, club members, and the coach or moderator.

World Events Shape Our Future

Pope John Paul II visits America. Gas prices skyrocket. Iran crisis. Russia invades Afghanistan. America plans to boycott Summer Olympics. Mount St. Helens erupts. These events and many others have impressed, shocked, and made us rethink our ideals. For the second time in history a pope visited the United States. Unprecedented crowds of all denominations crowded into Washington, D.C., to hear him speak. In November, the U.S. Embassy in Iran was overtaken by Iranian militants, and 50 Americans were held hostage for over 200 days. Later in the year, an invasion of Afghanistan was instituted by the Soviet Union. This invasion led to the American boycott of the Summer Olympics which were held in Moscow. These events of 1979 and 1980, along with many others, have changed the lives of millions, and in doing so have also changed our lives, our ideals, and our buying power. If these things affect us now . . .

The election of Senior Favorites is a traditional part of Senior activities at Bishop Dunne. To be nominated as a favorite is an honor in itself, but to actually be elected ranks even higher, an honor to be remembered for years. The Senior Class proudly presents its favorites of 1980.

Boys' Retreat

In the secluded pines of Athens, Texas, the Senior Men gathered for three days of reflection and retreat all centered on the theme of commitment. Under the direction of Fr. Rick Tullius and a varied group of faculty, the men came away with a greater understanding of commitment to self, others, and God.

Bob entertains the boys with a smile and a song.

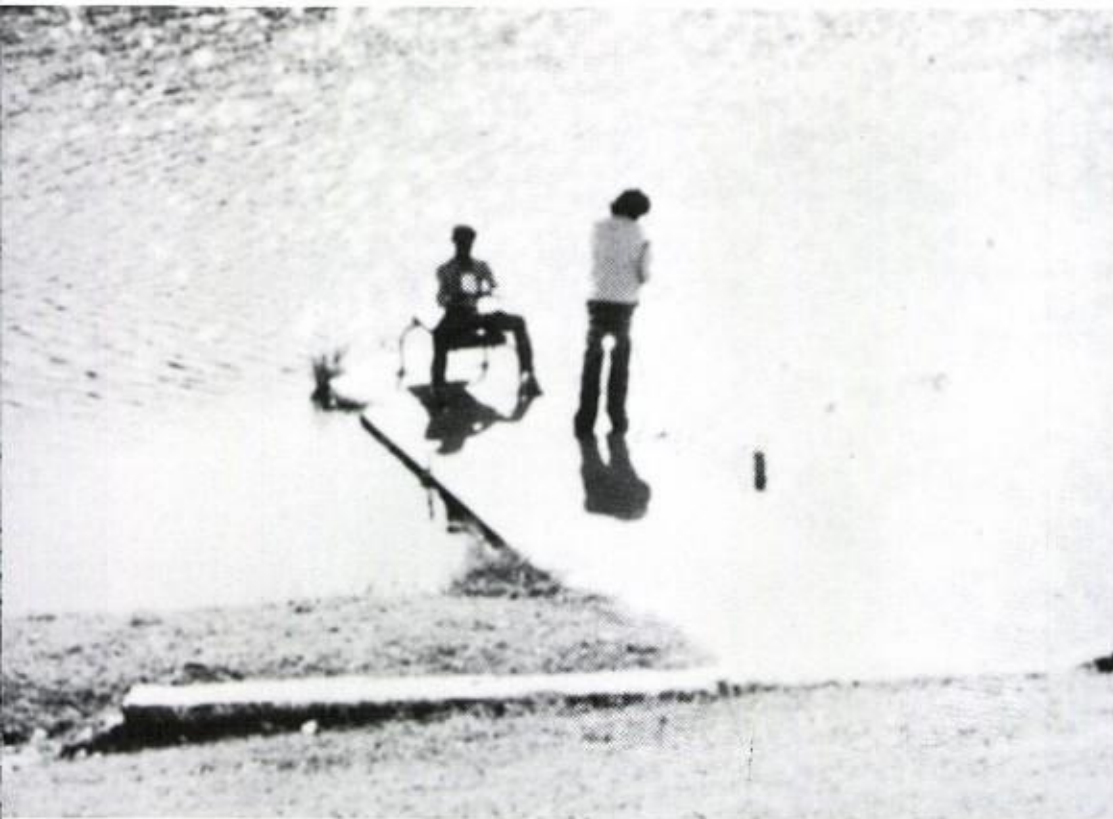

Jeannie, Linda, Kathy, and Michelle paddle into Athens to check out boy's retreat — oop's, don't tell Coach Wood!

Greg demonstrates his new dance.

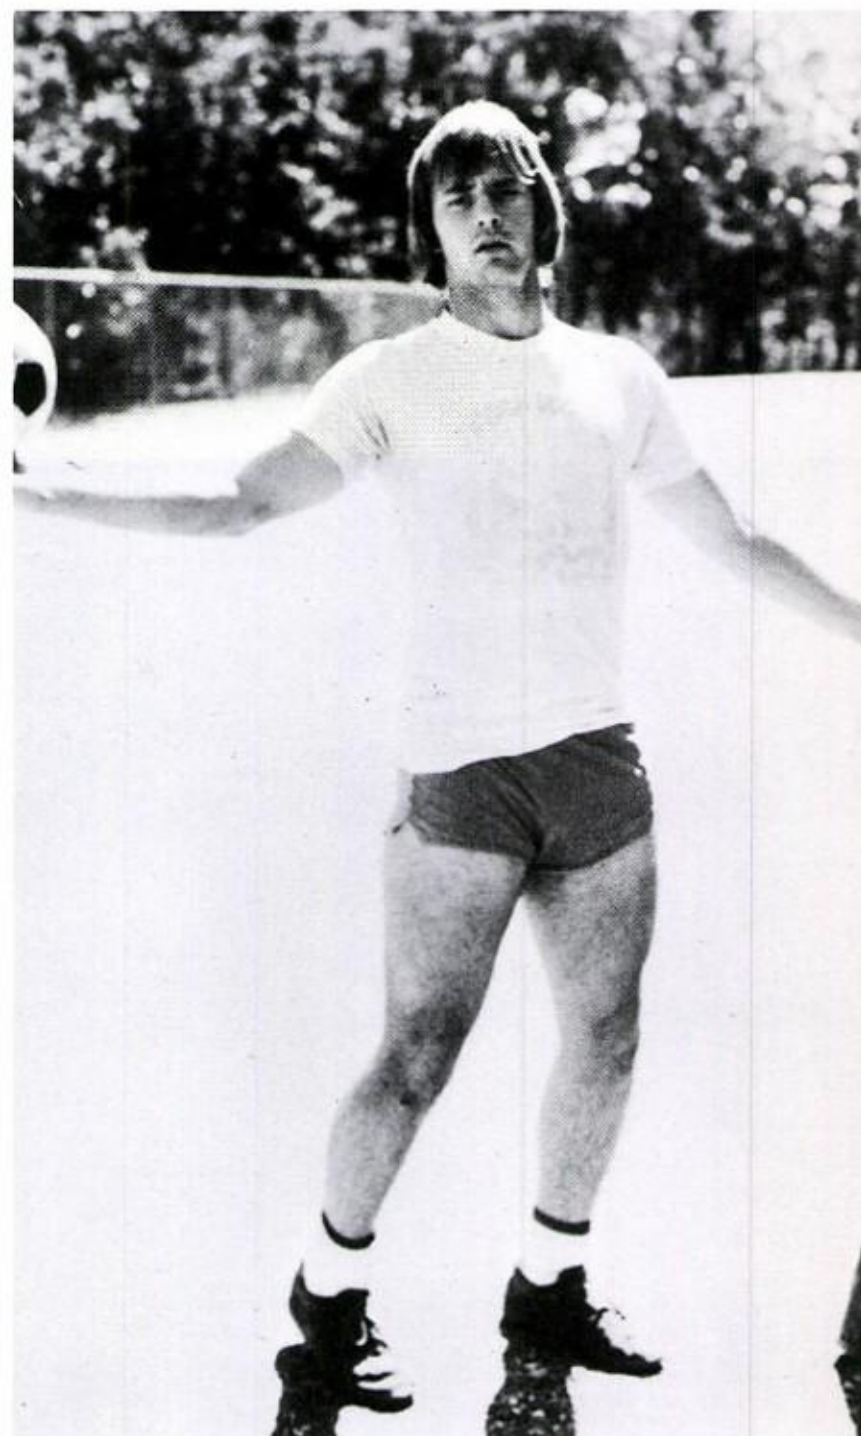

The retreat had its ups . . .

"Guys, ya'll are supposed to be getting closer to God, not the fish."

All eyes are on James as he admits his faults to Counselor Abeita.

Steve's ready for a little activity.

... and downs.

Girls' Retreat

The Senior girls' retreat was once again held in beautiful Athens, Texas. For three days the girls were alone without boys, radios, or T.V.'s, and it was great.

The girls were able to become closer to themselves, to each other, and to God. They shared tears, laughter, and quiet times of inner reflection. The theme of the retreat was centered around commitment, and was tremendously successful.

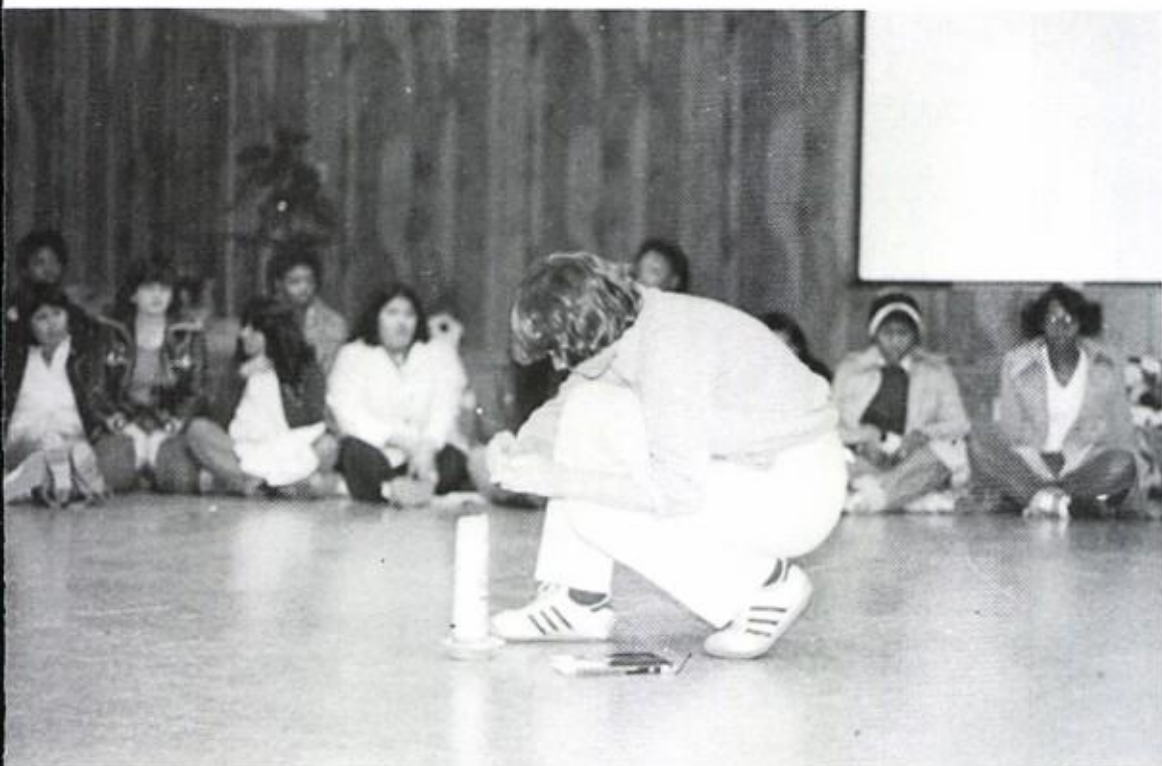

The girls are always ready for the camera.

Not now, someone else is taking our picture.

The Nubberettes show everyone the way.

Mary lights the candle at group prayer.

Linda and Lisa are caught by the camera during their time of meditation.

Mary Ann just hangs around the retreat.

Everyone waits patiently for GRUB!

Prom Proves Senior Spirit

The Sundown Room of the Marriott Hotel was the scene for the 1980 Senior Prom. Music was provided by Grand Theft. The Senior Favorites were announced during the evening. The Prom proved to be the highlight of all Senior activities of the year.

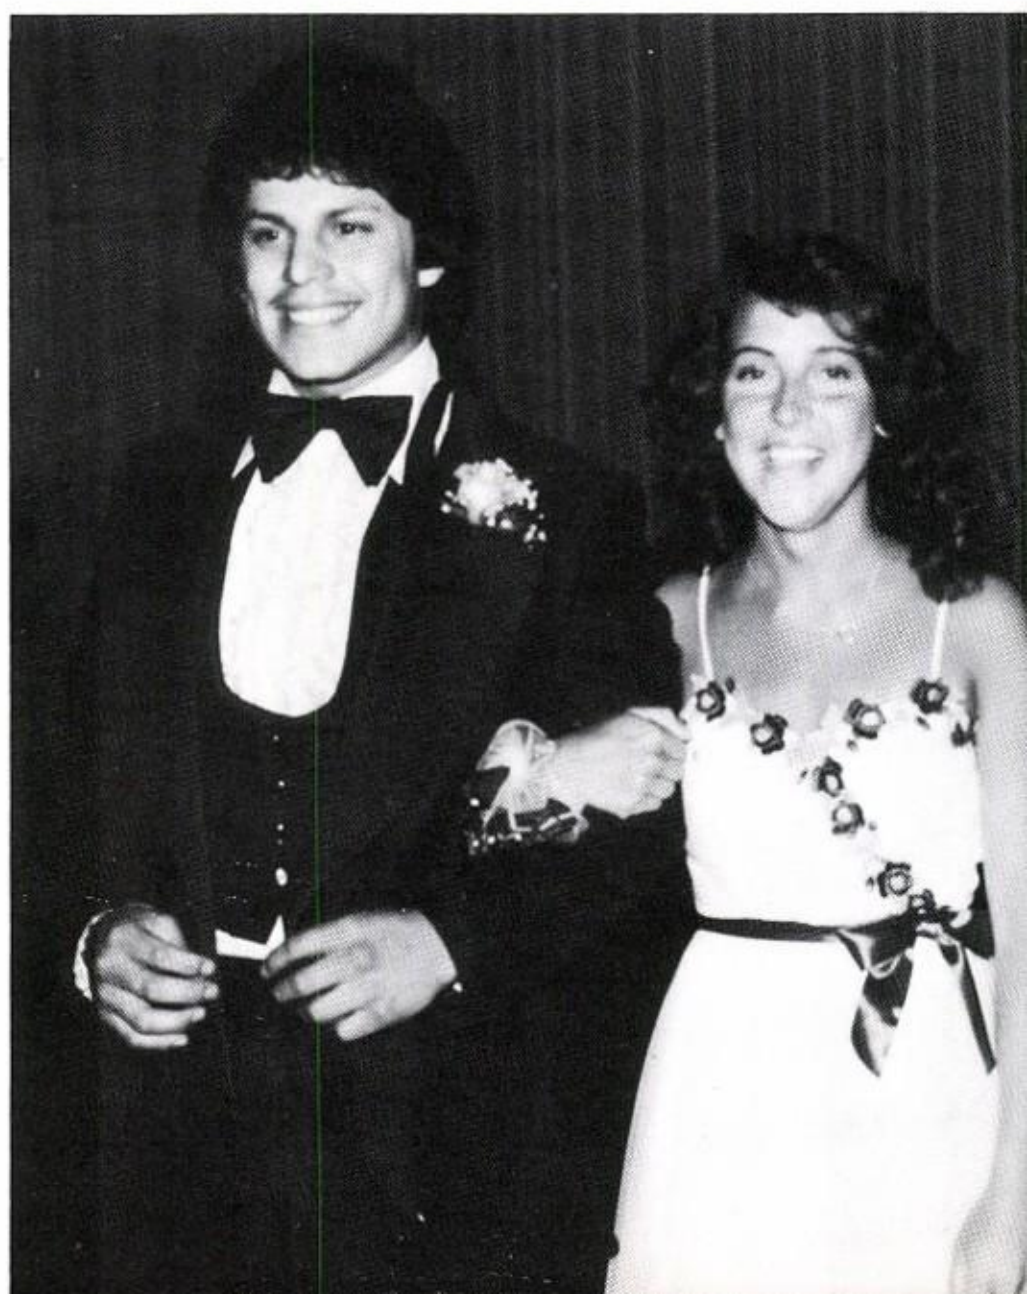

Greg and Chris present their dates.

Mr. and Ms. Turner created quite a stir all over Dallas.

James and Mary Lou didn't have to do anything, just be themselves, the tallest and shortest.

Paula expresses her need to dance. Are you listening, Steve?

Gloria, you can quit smiling now. The picture's over.

With camera in hand and a smile upon her face, Mary Ann patiently awaits a dance.

Some find it quite relaxing to take a break.

All-Night Party Proves Senior Stamina

The All-Night Party was held at the Golden Triangle in Irving. There were a variety of activities that kept everyone busy and awake throughout the early morning hours.

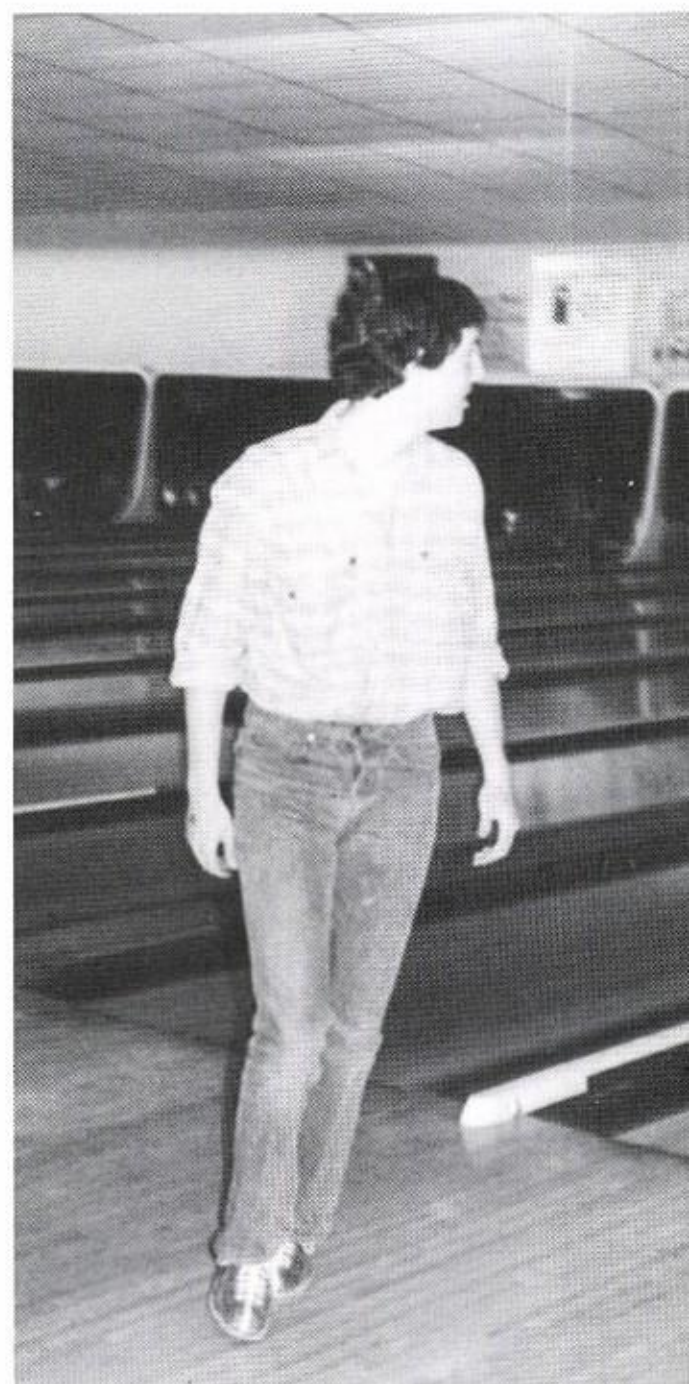

The girls strain for one more smile before breakfast.

Obviously Monica is winning.

What 'ya got in that purse, Linda?

Seen here is James Behan running from a loose ball.

Don't worry, Greg; if the rest of the boys won't go, "Kissy" will.

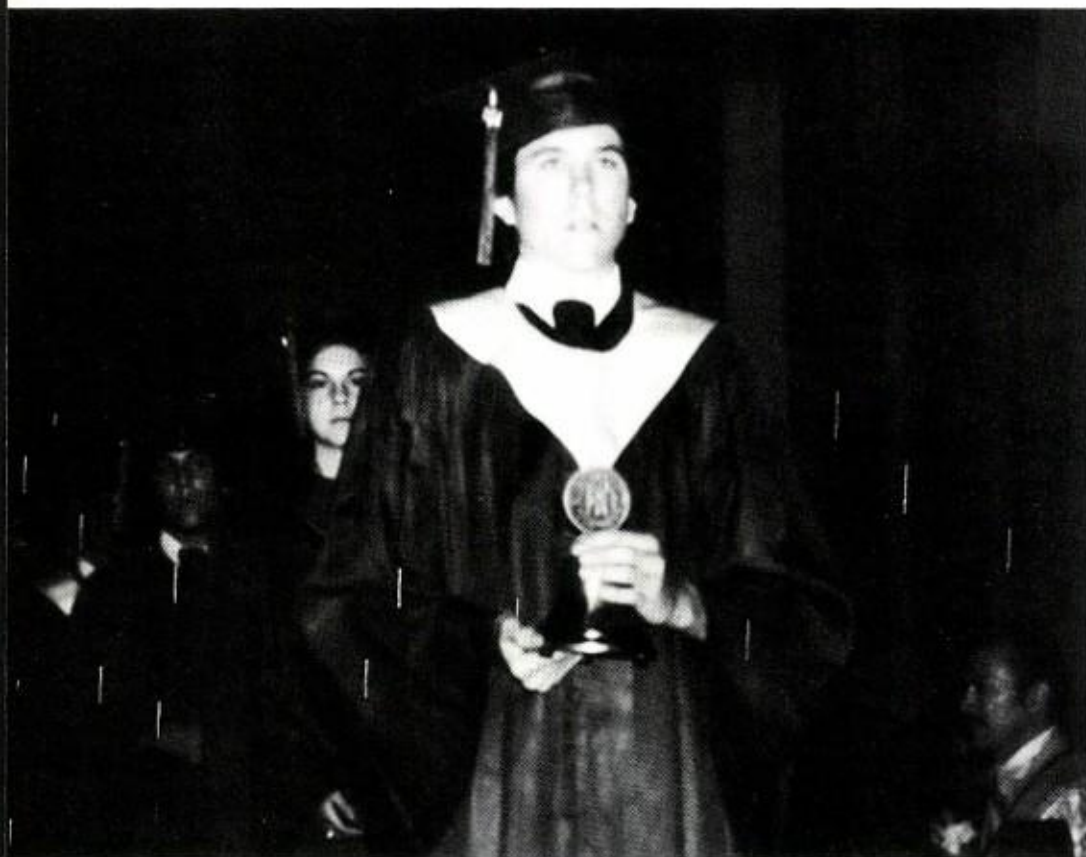

Mary, newly elected GT personality, complains to James that she's tired and needs a ride home, NOW.

Greg, Jenny, and Mary try the "Cotton-eyed Joe," with little success.

Baccalaureate Mass Celebrated

The Baccalaureate Mass was held at the Cathedral of Our Lady of Guadalupe on May 21, 1980. The Mass was celebrated by Father Rick Tulluis, with some of the Pastors and Priests of the Parishes of our students. Family and friends were invited to attend this occasion and to share with the Seniors their last Mass together.

John Denton brings up the Key Club Bell for Service.

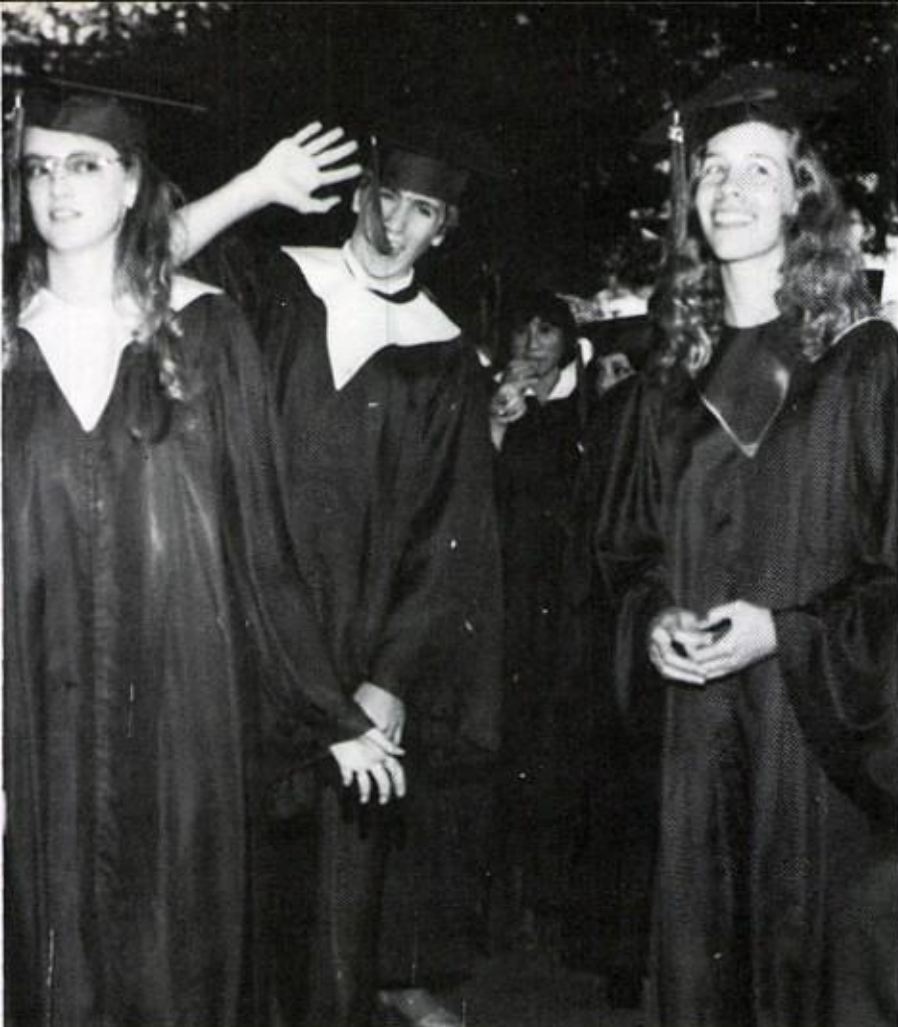

A beautiful view of the Cathedral enhances the atmosphere.

The second reading was presented by Chris Curt-singer.

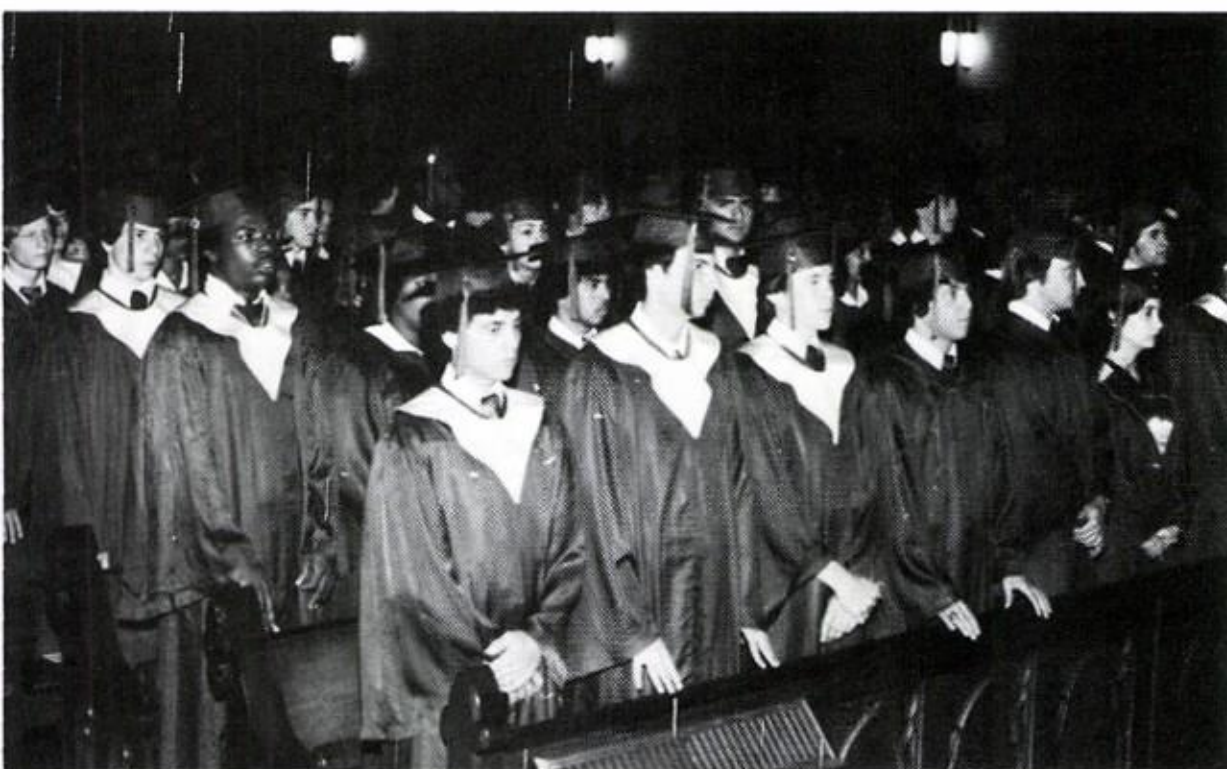

Jenny, Pat, and Kitty patiently await their entrance.

Joyce-Marie Garay receives communion.

The Seniors await the reading of the Gospel.

David Magana reads the first reading.

Siobhain Brochu presents the Golden Falcon as a sign of excellence.

Commencement Exercises Held

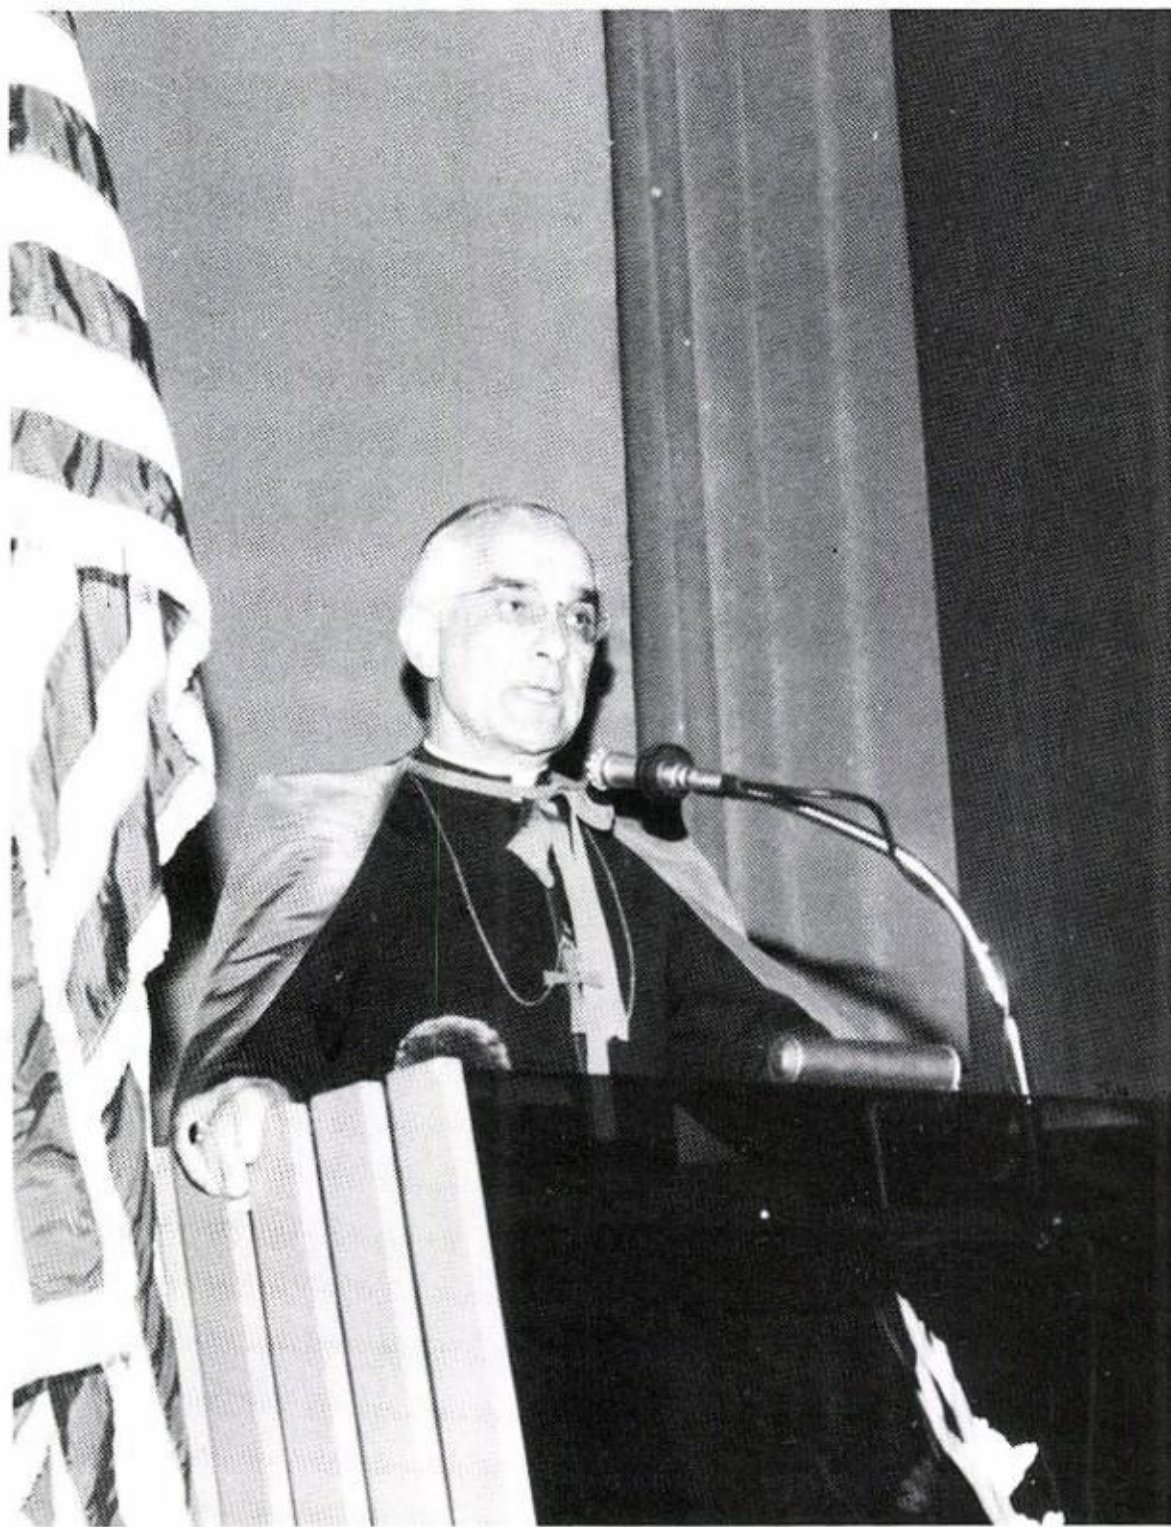

Most Reverend Bishop Thomas Tschoepe conferred diplomas on the class of '80 at the Dallas Convention Center on May 22, 1980. Graduation was the culmination of many years of hard work, shared memories, and personal relationships. As the Seniors pursue different life styles, they will continue "... to grow in age and wisdom before God and man."

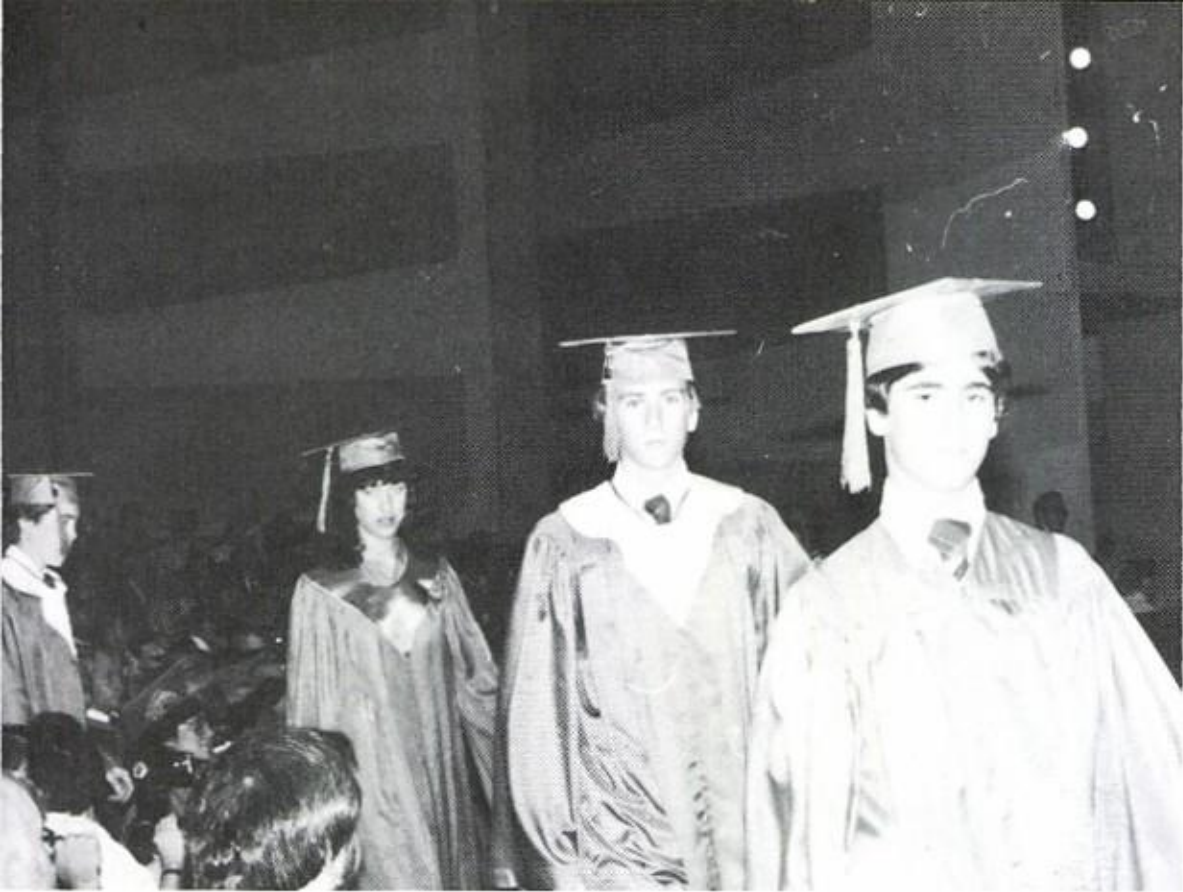

Kitty Schmidt gives her valedictorian speech.

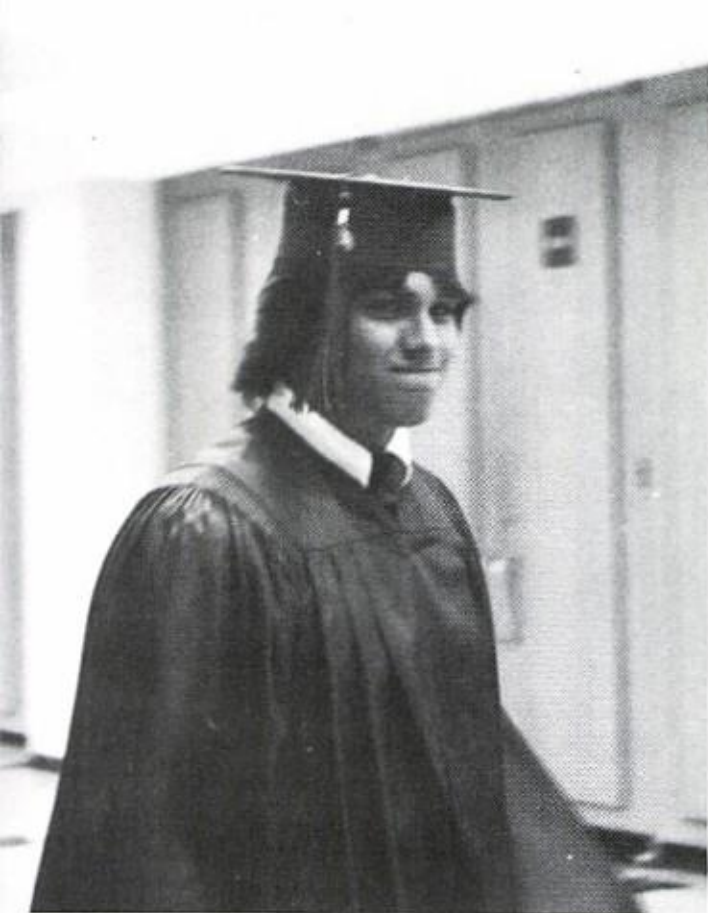

The Seniors patiently await their diplomas.

The Most Reverend Bishop Thomas Tschoepe.

The Seniors anxiously enter the auditorium.

Richard has last minute thoughts about graduating.

Tina, Beca, and Anthony file into the auditorium.

Mary Ann and Jeannie pose one last time in their gowns.

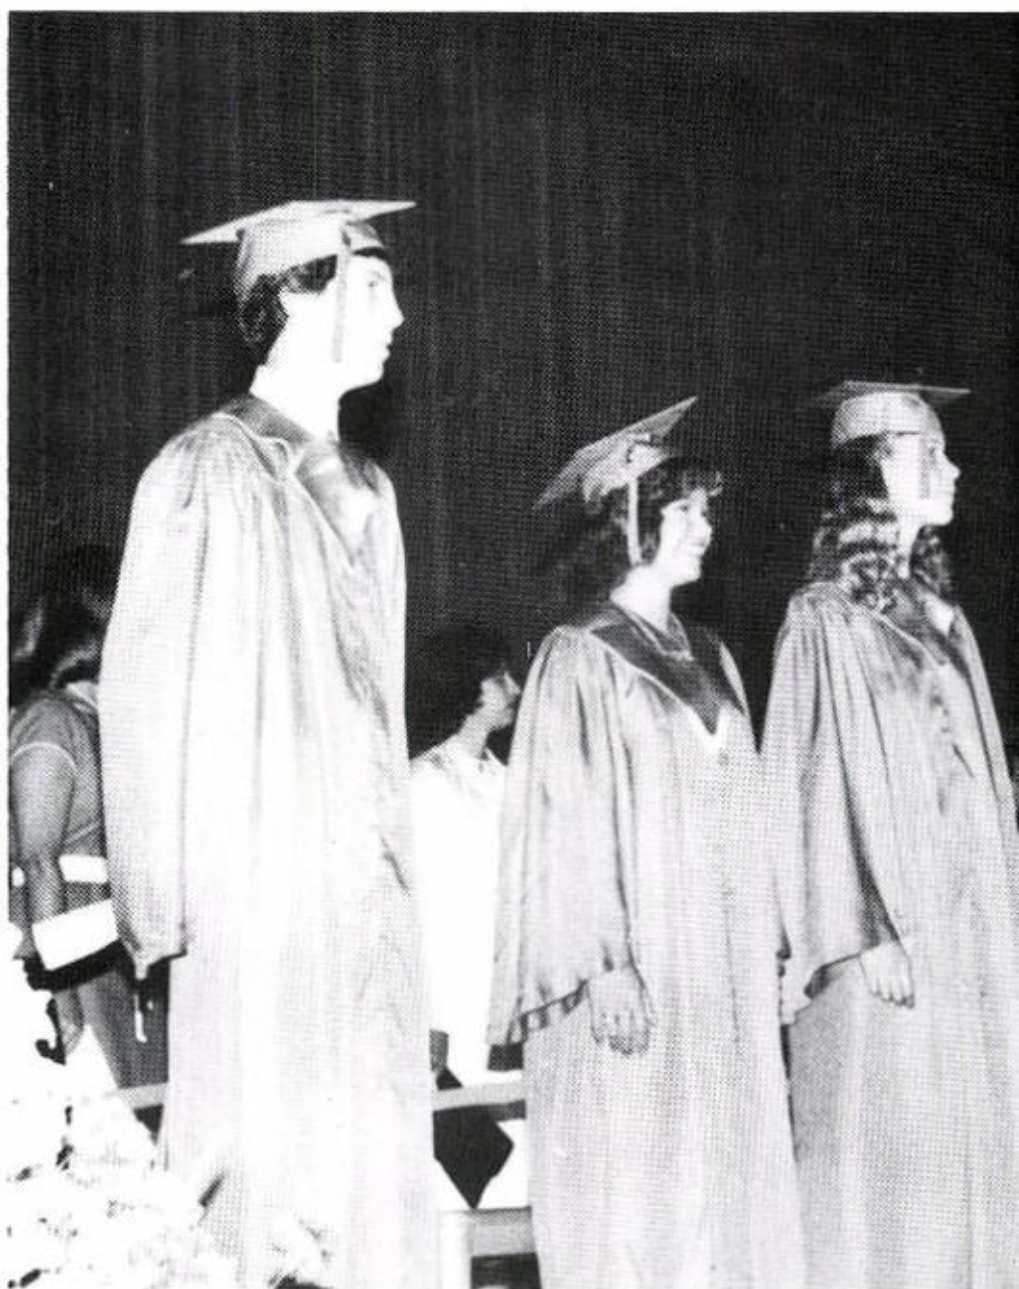

Laugh, Steve, it's all in fun.

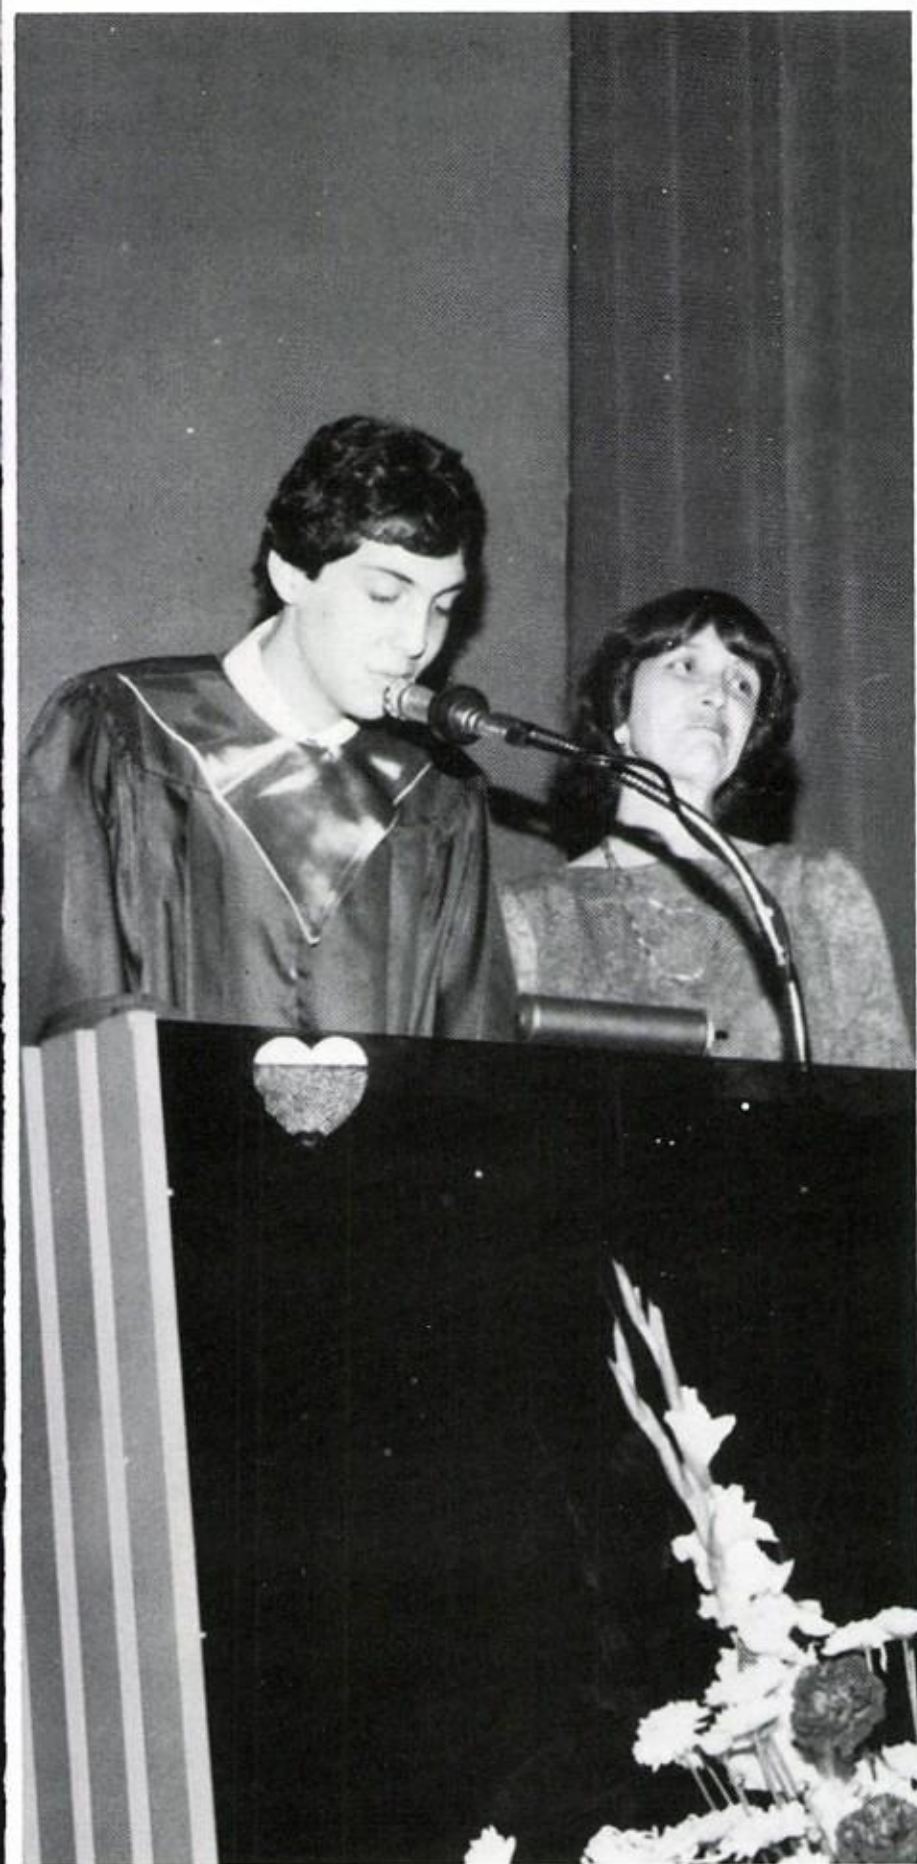

Joyce-Marie Garay addresses the audience with her Salutatorian speech.

Janice Alton receives her diploma from the Most Reverend Bishop Tschoepe.

James Behan, Joyce Garay, and Kitty Schmidt await the arrival of their Senior classmates.

James Behan presents Ms. Hinkle with a plaque from the Senior Class which read, "Thanks Mom!"

Sr. Mary Brian awaits the line-up.

Mr. McGowan takes a gracious bow.

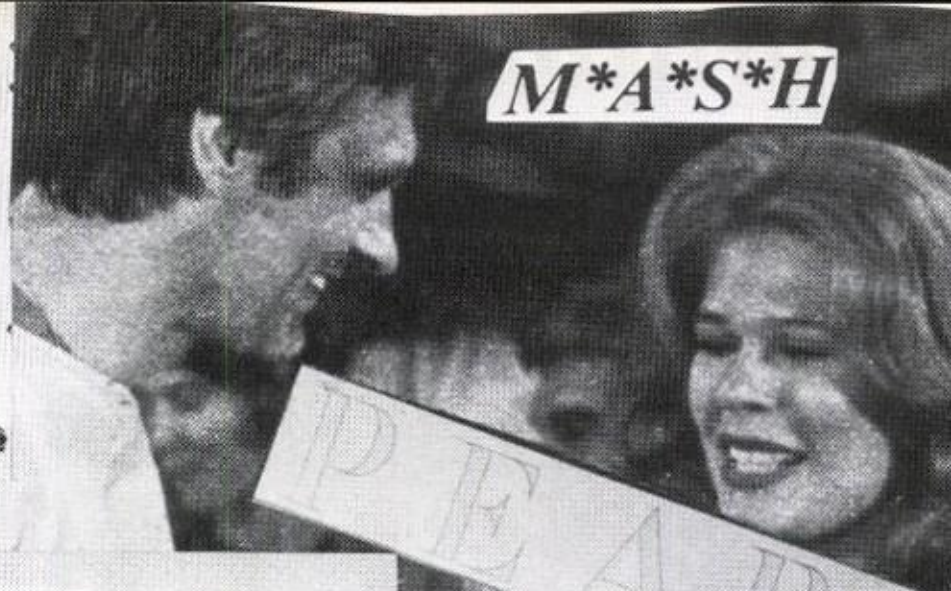

The Alma Mater is sung for the last time by the Graduating Class of '80.

Pan Am Club members attend the annual convention in San Antonio.

Language Clubs serve many purposes in the Bishop Dunne School curriculum. Besides learning more about certain cultures, students perform services for the community, such as helping earn money at the Mardi Gras. They compete against other schools in foreign language events as well. Club members also enjoy many good times together, especially at the annual banquets held to celebrate the year's work and to recognize student achievements.

The Student Council has provided the school with many enjoyable and educational activities. These included dances, dress days, and a drug abuse assembly. Its main purpose, however, was to serve as a link between faculty and students. The council did this by having meetings between the officers and the school administration.

EXECUTIVE BOARD: David Wyrostek, Rebecca Fuentes, James Behan, Scarlett Green

Bowling Club

The moderator of the Bowling Club is Mr. Joseph Fagan.

The Bowling Club provides an opportunity for students to have fun and challenge each other, showing their style and sportsmanship in not only bowling, but also in becoming good friends. The Bowling Club offers a time to practice the techniques of bowling or just for enjoyment. Bowling takes place weekly at *Bronco Bowl* from 3:45 p.m. to about 5:15 p.m.

First Row: Pete Manzanares, Martha Martinez, Juanita Martinez. Second Row: Jeff Totherow, Ricky Gallardo, Mr. Fagan, Jesse Totherow.

The Drama Club exists to introduce and advance the theatre arts. This year, under the direction of Mr. Jerry Coats, the club has presented many fine one-act plays and two major productions, "Harvey" and "The Prisoner of Second Avenue." The club ended its production schedule with a set of experimental one acts which helped to develop new talent for next year.

The Woods and Waters Club, Explorers Post 430, promotes the development of outdoor skills and an understanding of nature through various outdoor camping activities. Membership also encourages group interaction and self-reliance. Under the direction of Mr. Leonard Gehring, the club has grown considerably during the past three years and is now a successful and integral part of the Bishop Dunne community.

Trisha Behan tests the water on a Woods and Water campout.

Astronomy

With the arrival of Mr. Childs, a new club emerged at Bishop Dunne, the Astronomy Club. Its purpose is to generate interest among students in the ancient science of Astronomy. The club's activities included lectures, trips for star gazing, and fund raisers. Its ultimate goal is initiation into the Texas Astronomy Association.

Mrs. Carroll is moderator of the Speech Club.

The Speech Club exists to help members become effective, influential speakers. Its members have competed in several tournaments throughout the year and won prizes based on their performances in debate, drama and poetry interpretations, and extemporaneous presentations.

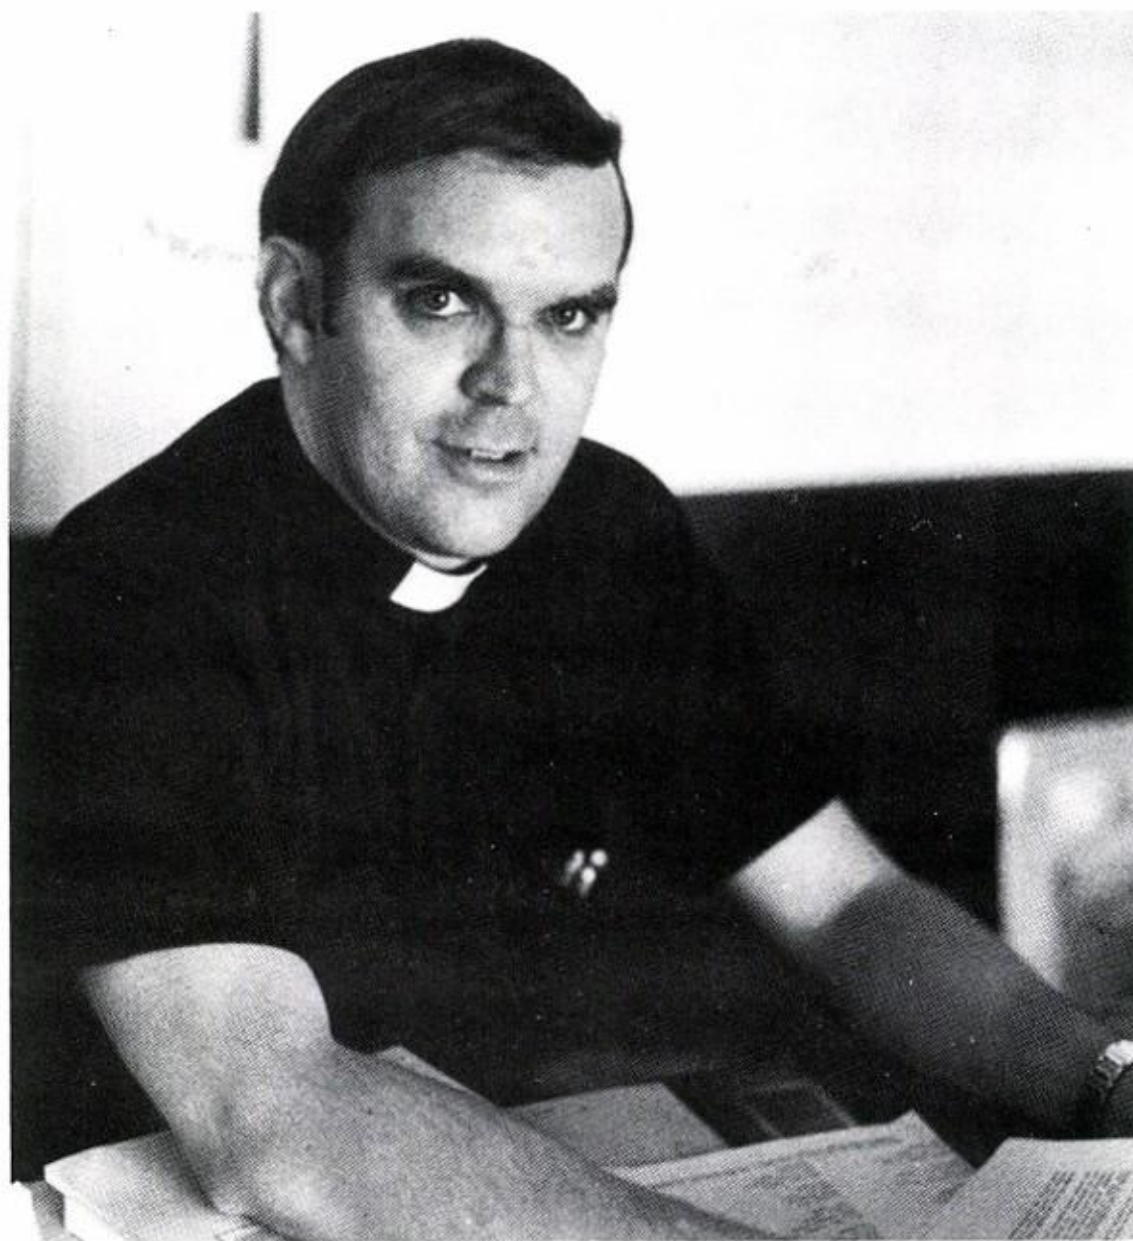

High Spirits

First Row: Christopher Clay, Andrea Manzanares, Second Row: Janie Svehlak, Kitty Schmidt, Cedric Thomas, Oltha Austin, Father Rick.

The High Spirits is a liturgical group which is responsible for student participation in the school masses and religious assemblies. Different groups within the organization pick songs that fit the theme of each assembly, lead the singing, contribute artwork and meditations, and ask members of the student body and the faculty to read prayers or readings at the masses. Overseeing all of this and coordinating it is the campus minister, Father Rick, whose genuine concern for the spiritual welfare of the Bishop Dunne community inspires all of the members.

Father Rick plans the masses with great care.

Key Club

The Key Club is an organization for young men who want to serve their community. The Club promotes fellowship, growth, and maturity. Responsibility is stressed in both attendance to and participation in club projects. Club projects include visits to nursing homes and churches, and distributing donated food to the needy. In-school projects include maintaining the courtyards, marquee, and raising the school flags every day. At the District Convention in Houston, Bishop Dunne was honored with a second place trophy in achievement and was ranked ninth out of 280 clubs in all of Texas and Oklahoma. In addition, Bill Tillotson received the Tom Duncan Award as one of the top secretaries in the area.

Food collected from the students is ready to be delivered by the Key Club.

Quill Staff

The Quill had been simply a memory until its rebirth this year. A class of inexperienced publications students attempted to inform the Bishop Dunne community of the news. Almost once a month, the Quill produced a paper full of information, controversy, entertainment, and finally, memories, winning the Mountainview College Journalism Award for Outstanding Newspaper in the process.

Volleyball Teams — Varsity and J.V. — District Co-Champs

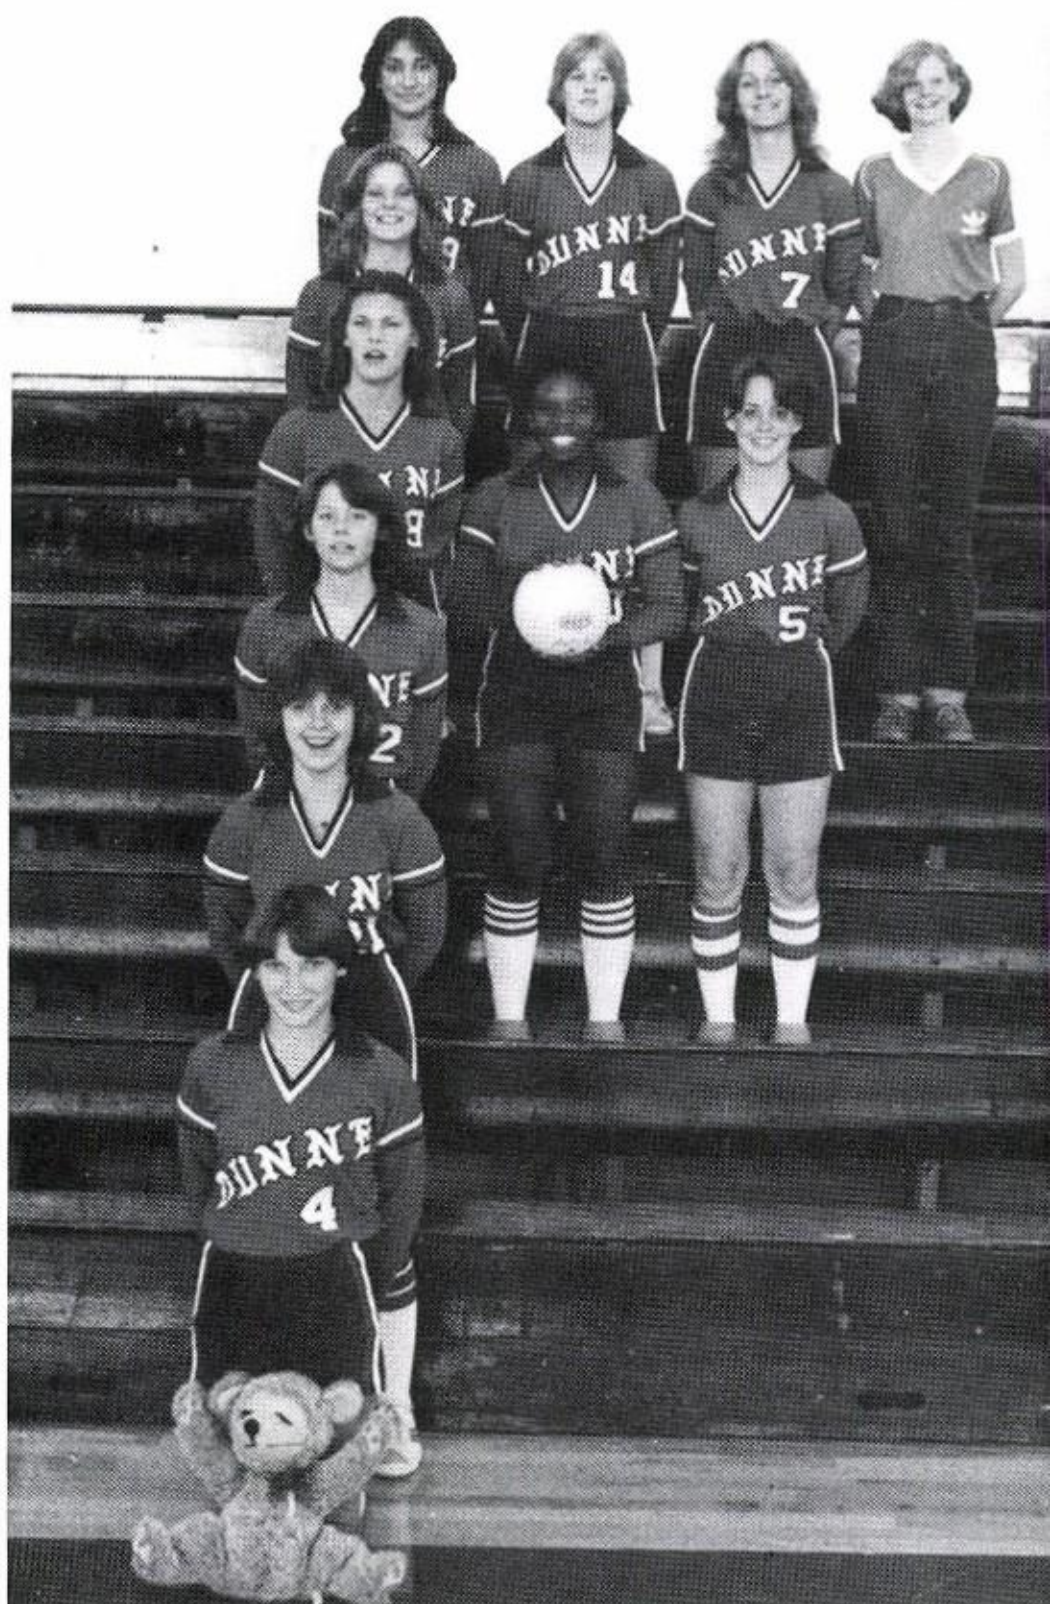

The varsity Volleyball team had a rewarding season; although not making it to state, their record for the year was 3-2 in district play to make them district co-champs. It took a lot of hard work and devotion on each team member's part. Coached by Mr. Jim Woeber, the Falcon Team had a successful season.

Fighting Falcons

The 1979 Bishop Dunne Falcons finished with a disappointing 4-6 season. Throughout this season the Falcons fought hard, despite many injuries, and they displayed a lot of talent for an inexperienced team. Their efforts proved that the players were a true Falcon Team.

A very young JV team began the season with a lot of enthusiasm, determined to work hard to gain the experience they needed. Though the team played well, they lost two district games and had an overall record of 3-6. The experience gained by these young men made this season a big success.

The 1979 Freshman Football Team finished the season with a 2-7 record. The team grew in strength and experience as the season progressed, with many players turning in outstanding performances each week. The highlight of the year was the season finals against a very strong R. L. Turner team; the Freshman Falcons rallied from a 7-0 deficit to defeat R. L. Turner 8-7.

Fighting Falcons

Despite having a new coach and a young team, the Varsity Basketball Team did exceptionally well. Good coaching under Mike Jensen made it fairly easy for the team to adjust to a new system. The season had many bright moments, including the championship in the K. of C. Tournament over favored teams, Bishop Lynch and Jesuit. Though lack of experience hurt this year's chances at district, next year's team, with eight returning lettermen, should be favorites to win.

The Swim Team, under the direction of Coach Jim Woeber, ended its season at Loos Stadium, competing in the TCIL State Swim Meet. The Falcon swim team competed in events that ranged from the 100 yard butterfly, backstroke, free, and breast, to the more time-consuming events as the 200 or the 500 yard free. The team placed seventh and many individual goals were reached in the meet. Some outstanding performances were turned in. Most important about this year, however, was a special camaraderie that developed among the team members. Each member could always rely on support from his or her team mates.

Golf

The theme of this year's Golf Team can be best summarized in the words "the challenge." With some early season adjustments, then unexpected changes, the players knew that the road to team and individual accomplishments would be difficult. In the early part of the season, the task looked grim, but the team kept struggling to meet their potential capabilities. Through good mental preparation and hard work the team began to exhibit traits reflective of better things to come. By season's end individual performances had reached a level of competitiveness and respectability. Overall this team distinguished themselves with good sportsmanship and pride, traits that made "the challenge" an accomplishment.

The Falcon track team for 1980 had a reputation to live up to. The Falcons in past years had won 9 consecutive District championships.

The talent and depth of the 1980 squad was not as strong as in past years, but the effort and desire by the athletes that made up the team was as strong as ever. Youth, being our strong point, will be a major factor in returning to the top next year. Our Seniors gave good leadership in helping our younger athletes in maturity for district and state. I think we had a good year.

Although we have a young track team, they have proven themselves worthy of all the recognition they get. They have pushed themselves to the limit on many occasions and always were willing to do more. Thanks to this year's five seniors — Robin Behan, Deborah Coleman, Jill Kelley, Monica Rolen, and Mary Wood — the foundation has been laid for good solid track teams in the near future.

Joe Pantoja wins another game for the Falcons.

Ricky Chagoya up to bat.

The season started out well for the Falcons. We won all 4 scrimmages ending non-district competition with a 7-3 record. A combination of mental and physical errors during district play dropped our district record to a disappointing 3-5, but coupled with the non-district record we ended the season with a respectable 10-8.

The team played well at times, then lapsed into a coma and played poorly. But with 10 returning players for next year, we have something to which we can look forward.

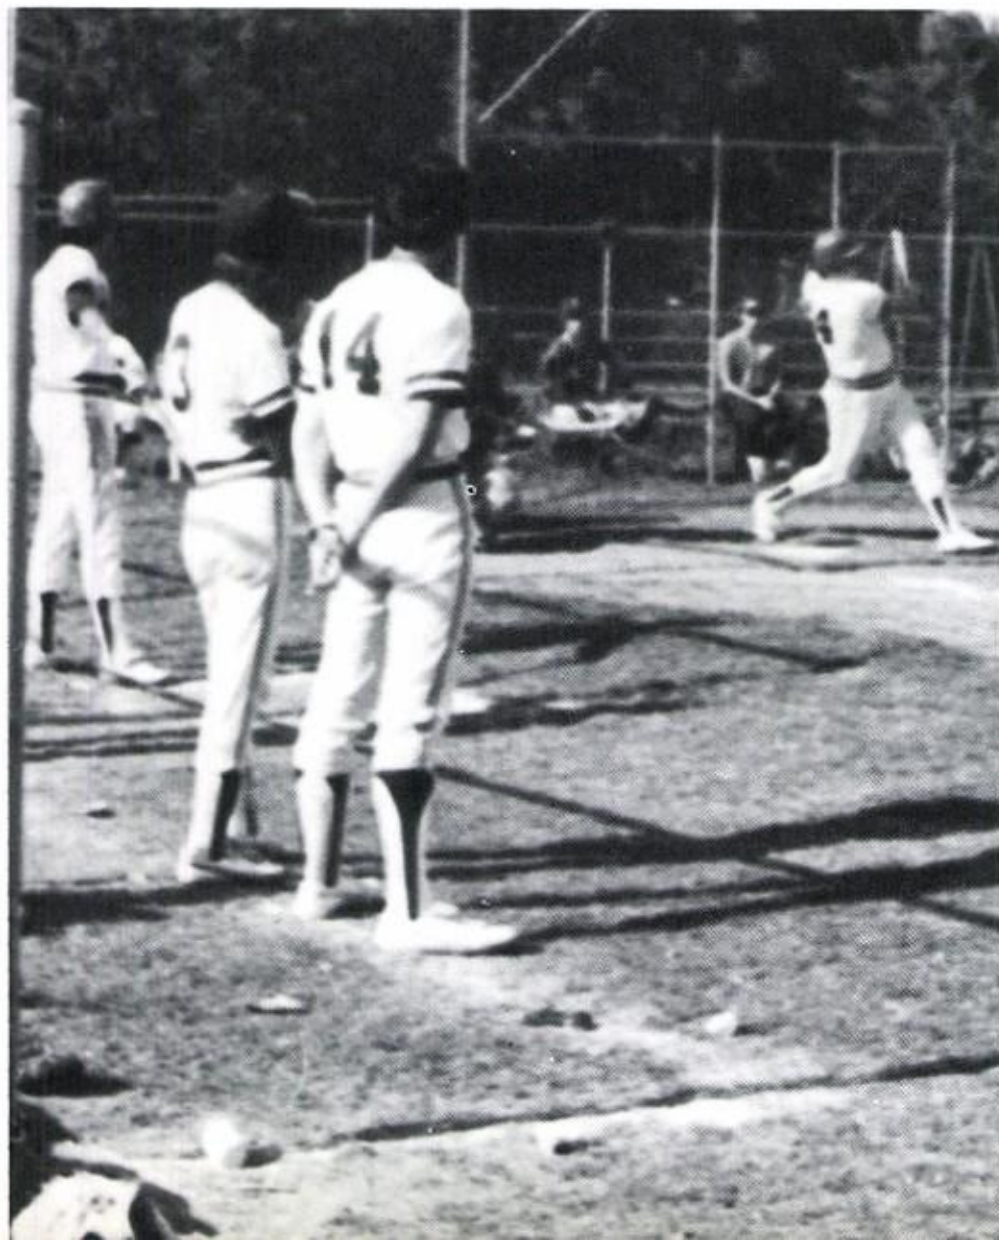

— Coach Roeder

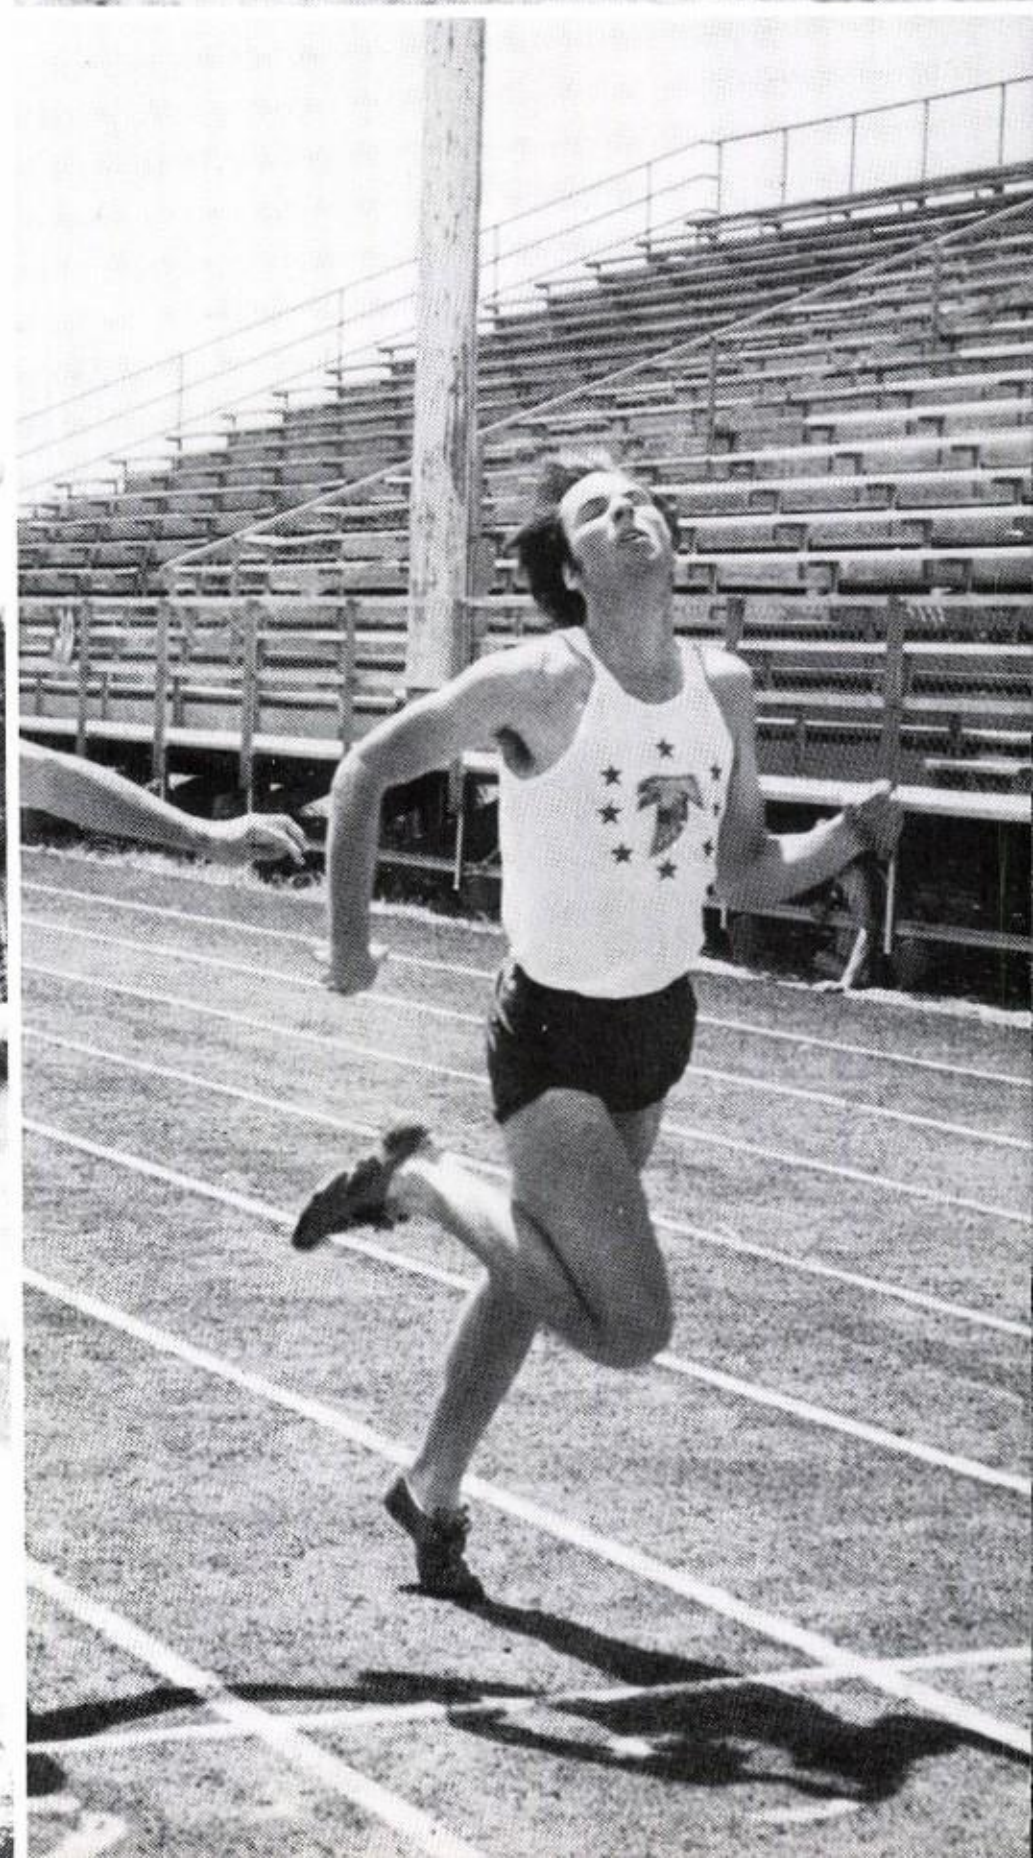

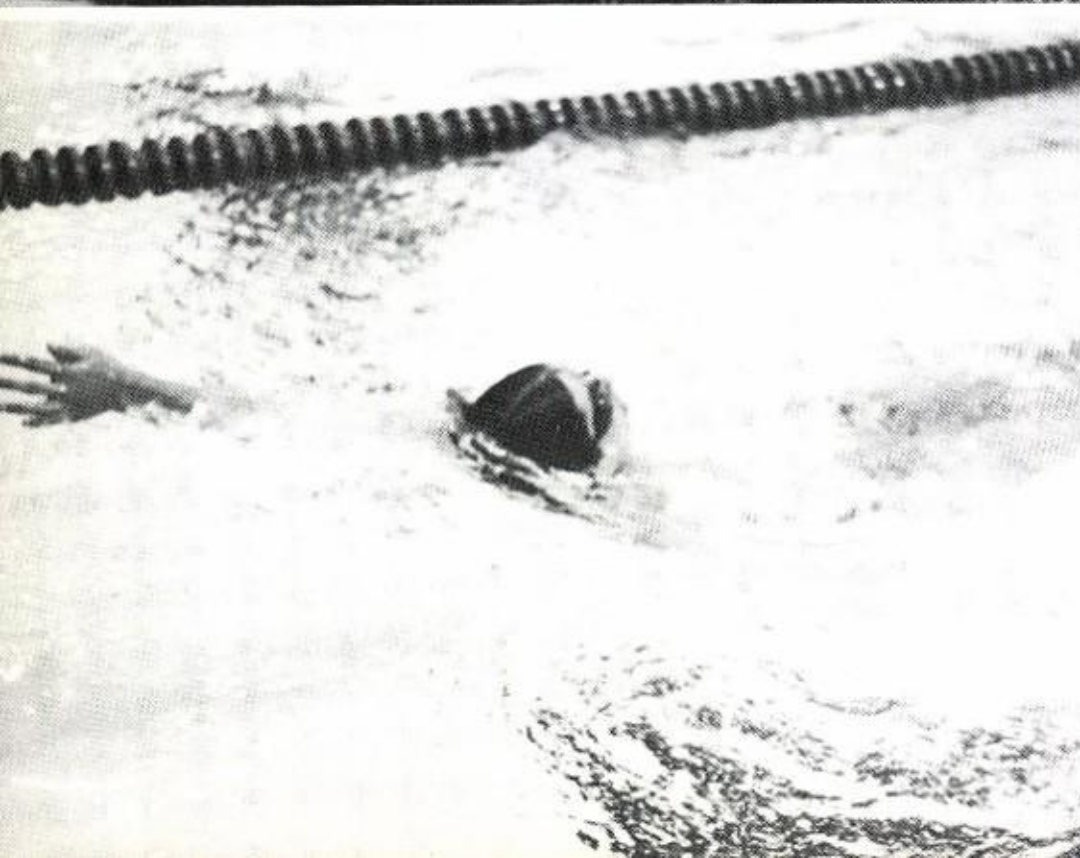

Ah c'mon!

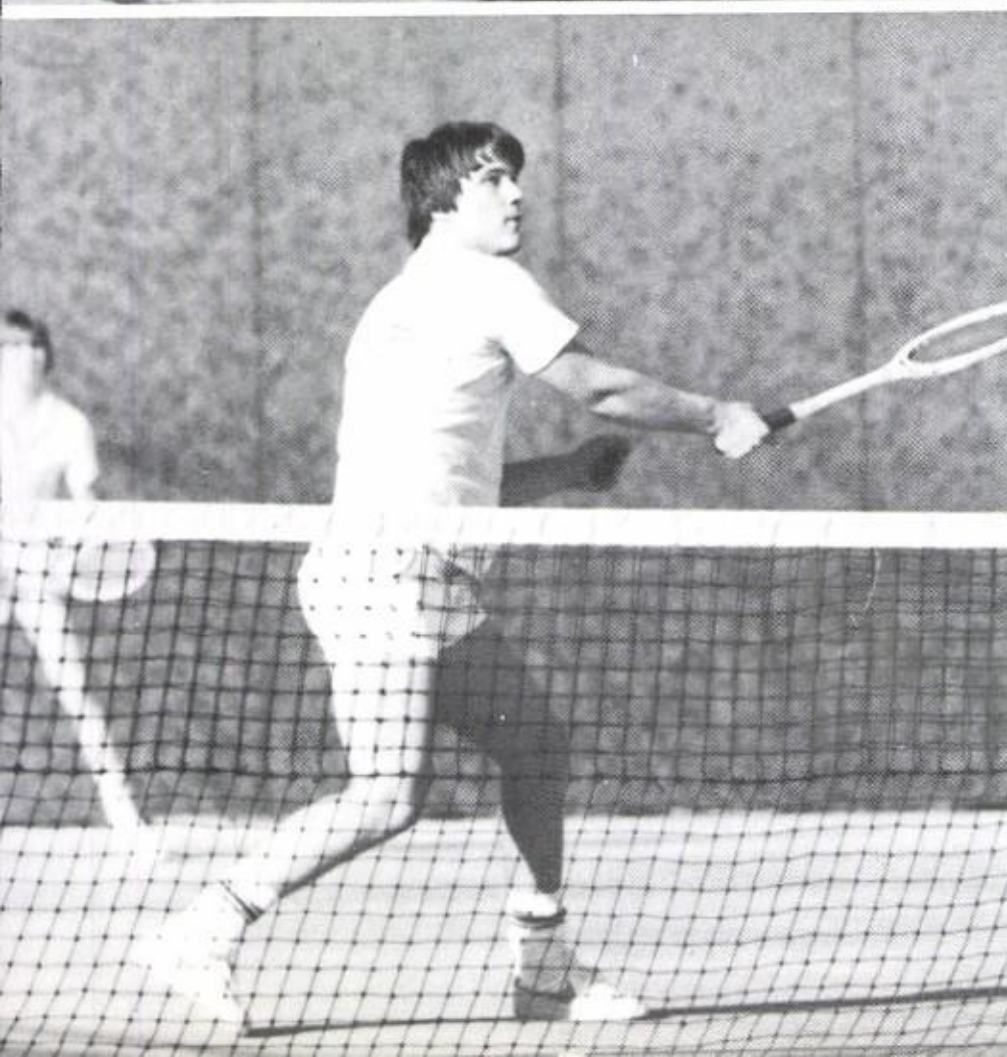

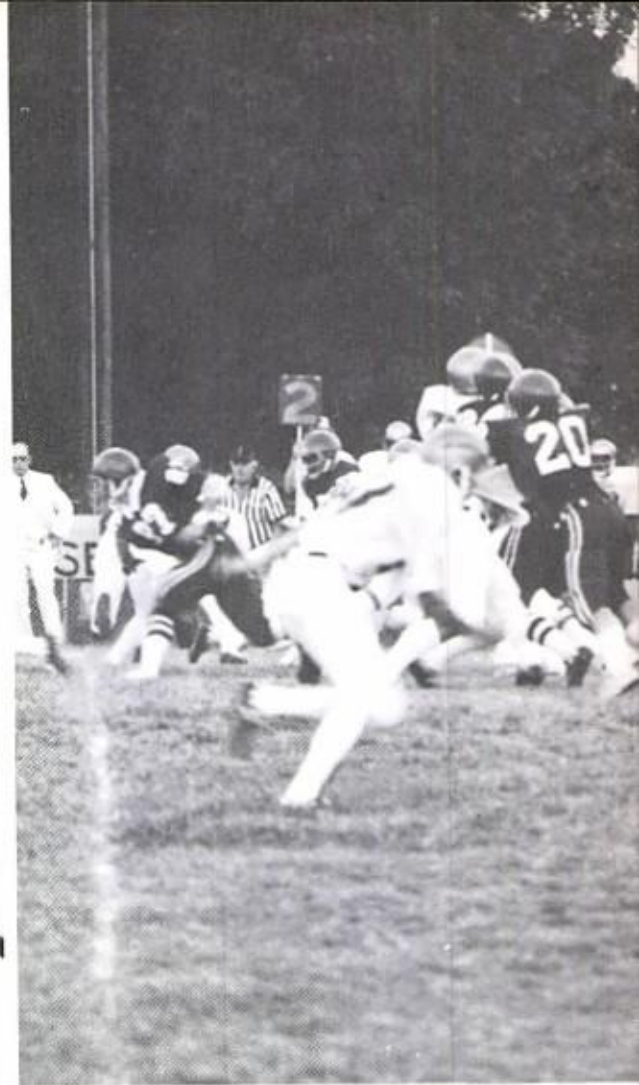

Bobby Vallejo and Rolando Vasquez await their turn at bat.

The fans enjoy the game as much as the team.

Drill Team is a type of sisterhood that, for these women, took root and grew at Bishop Dunne. However, change is a necessary part of life, for without change there is no life. And so we say good-bye to these friends only hoping they retain their "sparkle" as a treasure of the fond memories of the cherished Eyalette traditions.

Priceless
friendships
and memories —
the Class of 1980.

The editors of this year's Mitre would like to take this space to thank those who have made this book possible. To our hard-working staff and photographers, thank you for always being there at the last minute.

To Joyce-Marie, thank you for your patience and organization. The book could not have been done without you. Your pages really are important!

To Don Griffin, your monthly visits and reassuring smile (even when we were asking you to do the impossible) have made working with Taylor Publishing a pleasure.

And special thanks to

Mr. Cocca, for keeping the finances in order

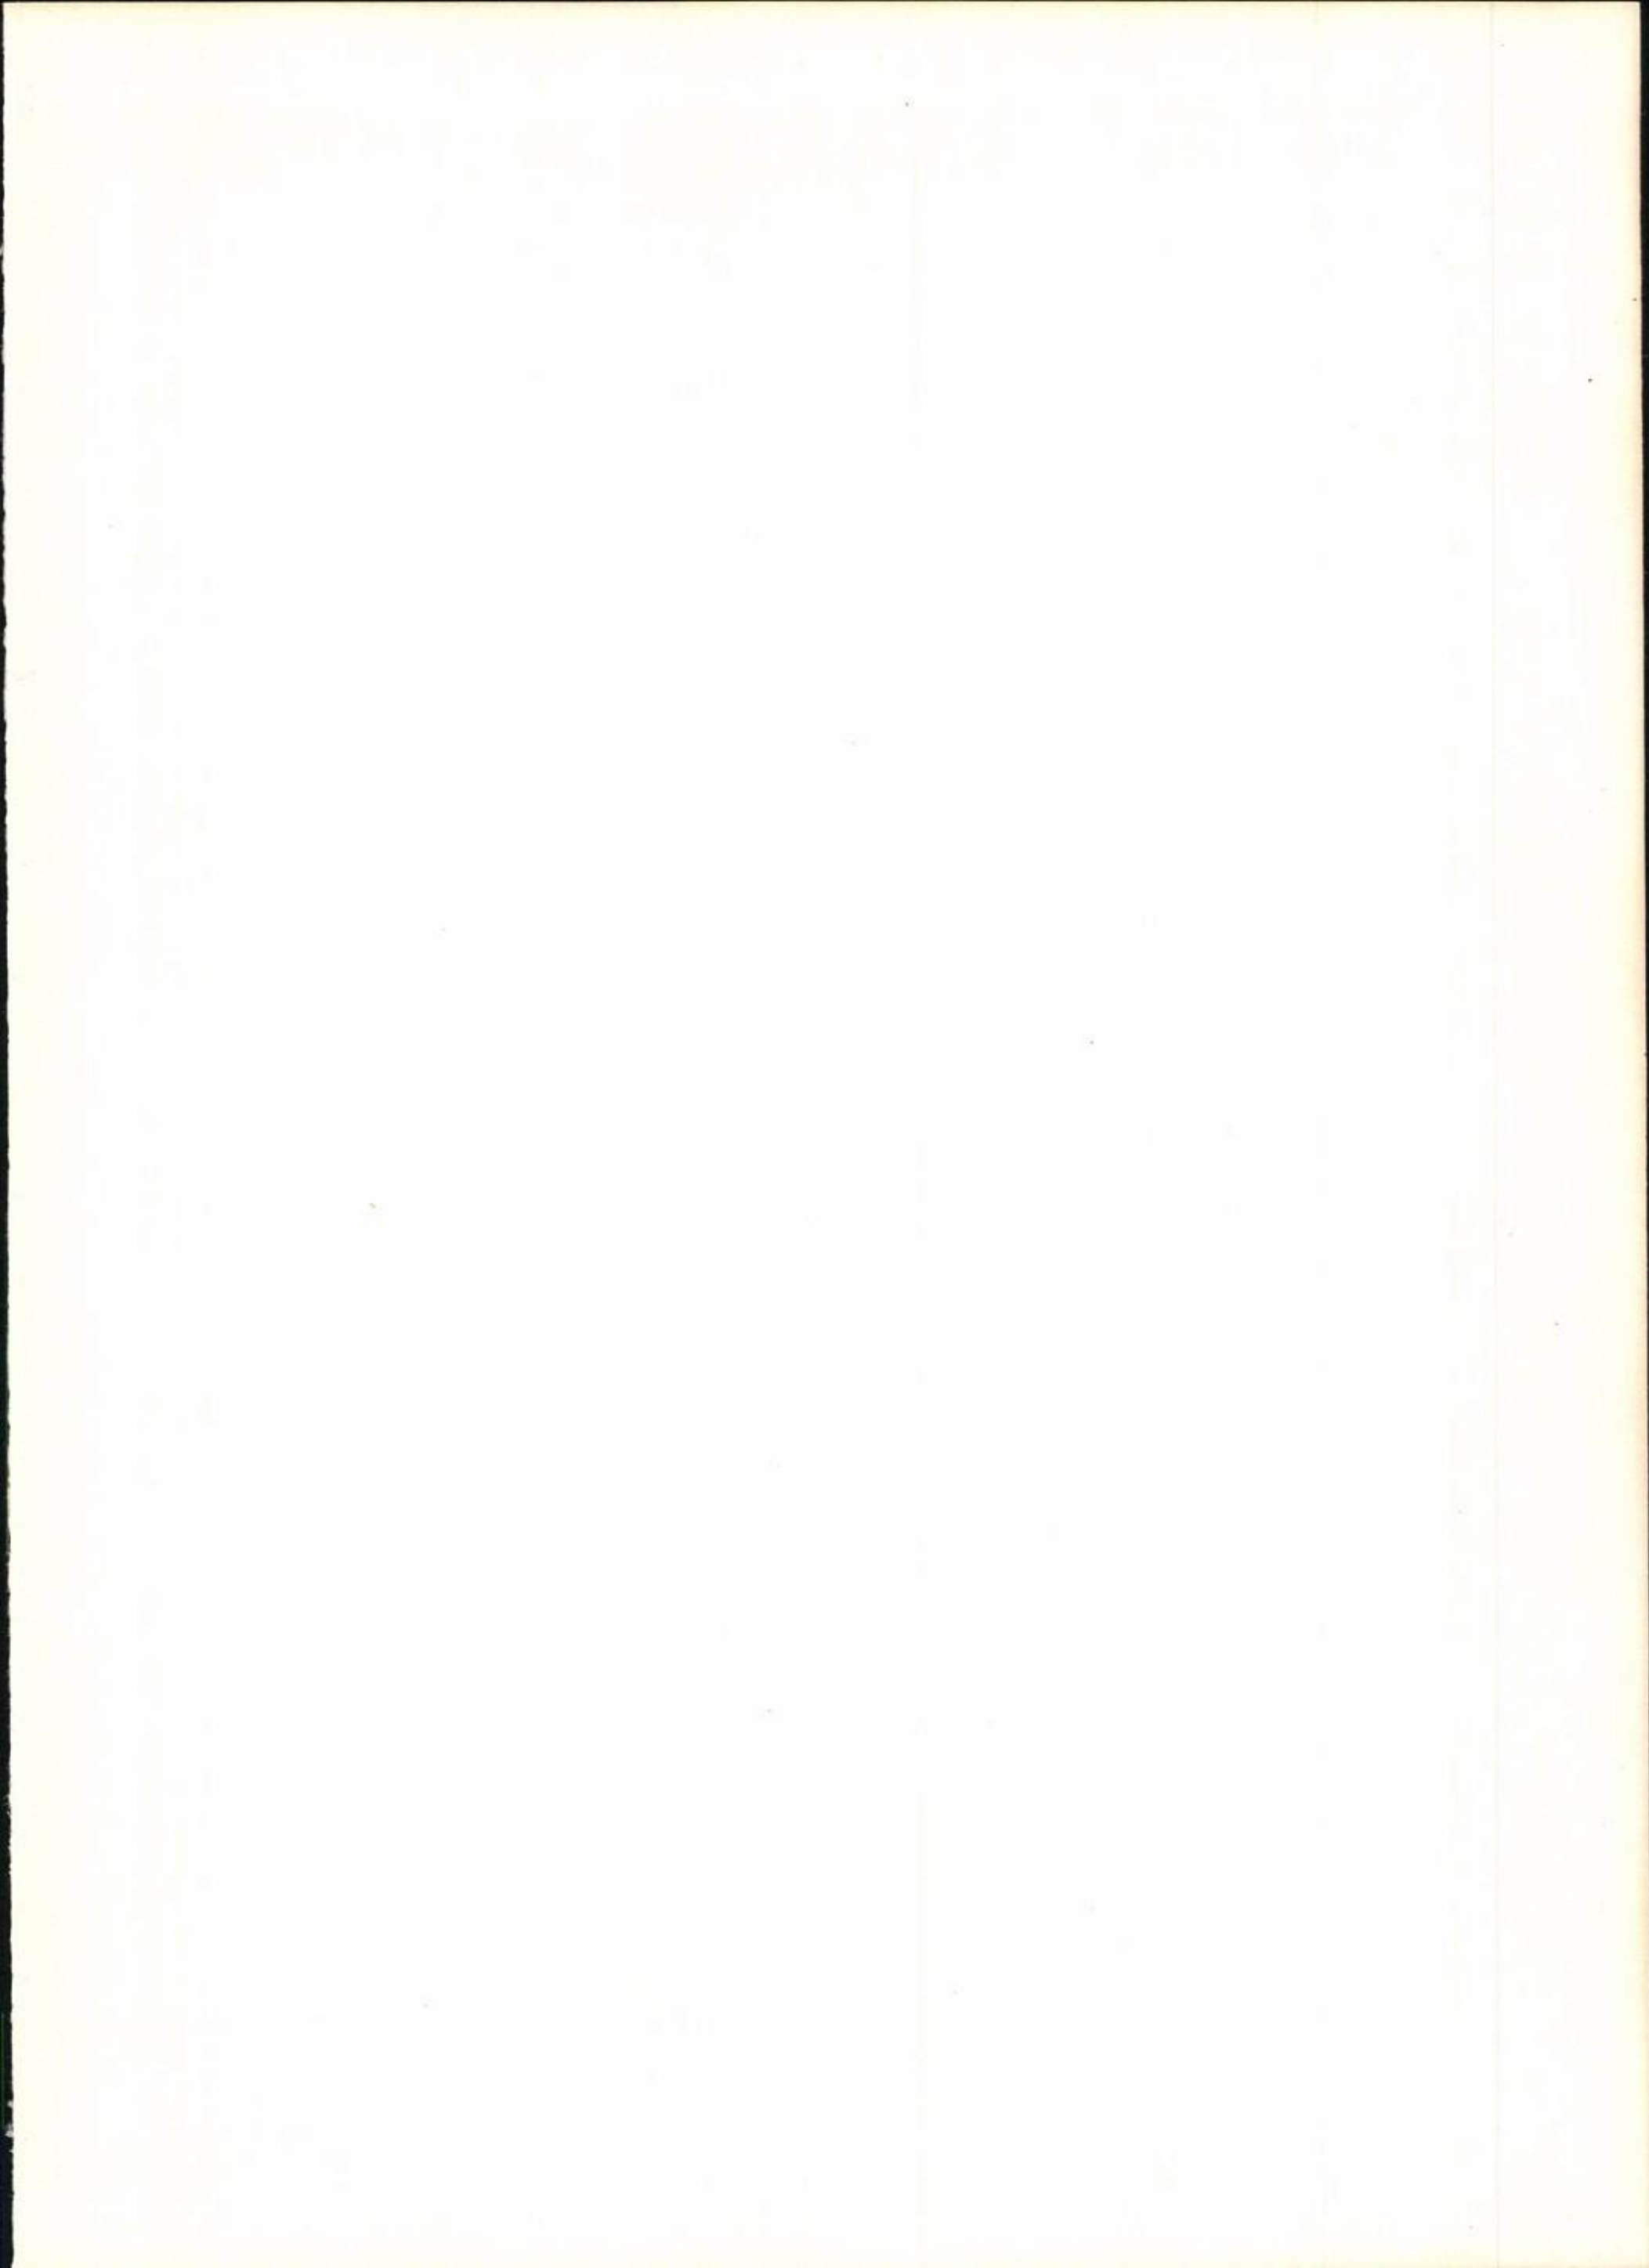

Sister Mary Brian for checking up on us

Mr. Wattley for trusting us alone in Rm. 412

Gary Studio for printing, and printing and printing.

Most important, we'd like to thank Mrs. Cooper. Her patience, encouragement, belief in us, and innumerable hall passes are the backbone of this yearbook, because without her guidance, our ideas and hopes would have died before ever reaching the publisher. Thank you.

*Siobhain Brochu, Editor-in-chief
Mary Ann Notter, Assistant Editor*

Bill,

What can I say but that I
just know we have an
undying love for each
other!! I have really
enjoyed all the great
times we have had
during free time. I'll
never forget it and
I will get you back!!

Have fun your ~~7th~~ sophomore
year (even though it's your
worst!!).

Love Always,
Monica

Bill,

I've only known
you for a short
time but the
memories are still
here. Take care
and may God bless
you.

Love,
Epuka

Obitobob,

next year.

Bill,
Well it won't be
OK year. We hope we
can get to be good friends
next year.

Bill. Well, we had
some good times and
we can't deny that there
were bad times too. I
hope we never go through
that again. It can be close
other year. Hope we were last
year. Love ya, Colleen

Bill,

Since this
means a lot to
you I'll sign it
again! Maybe
you'll have better
luck w/ Hauline
Jacobs!

Love
BBM
